WORLD PRESS RELEASE Statement. [BuiltByKeith.com](https://www.builtbykeith.com)

2020-02-26 © (tm) IP rights granted for all to USE by taking ACTION.

"We announce we have the worlds last system of economic redistribution of crime wealth back to our people and simple systems to migrate millions then billions of our people to new areas of remote undeveloped natural resource rich communities that are now self sufficient free water, energy, education, travel, and all digital electric sustainable marketplaces. SHARING RESOURCES is the end result of [UNlocracy.org](https://www.unlocracy.org) published by world famous [BuiltByKeith.com](https://www.builtbykeith.com) who has been threatened by Murder for hire Conspiracies lead initially by Robert Dee ROSE that indicts fired AG Sally Q Yates of [KSLaw.com](https://www.kslaw.com) and GBI Director Berry Vic Reynolds of Atlanta GA who all personally knew Keith and his anti crime comprehensive methodologies before ROSE ordered his murder by named USA officials seen on [TheFinalTerrorist.com](https://www.thefinalterrorist.com) Our military will be dispatched to find Keith and escort his top scientist teams to debrief our world leaders on HOW to use technology to reform unify mankind. All assets will now be communally shared as the true reason for direct democracy is the empowerment of all people to decide their own reality and new world term free will open public society that is the true deterrent to any stupid person violating our most basic human rights of Free Speech and the right to face any accuser to resolve ANY dispute at minimum disruption of our world economy. The news media has 100% accountable to only report news based on the true numbers and not make billions of \$\$ financial profits with the ad revenue streams that go to the elite.

The final result is our new most prolific and simple law enforcement system so all our new world citizens now knows WHO is WHO, WHO owns What, Who Trades What with WHO tracked by GPS When and Where. [PROFITShareHolders.SPACE](https://www.profitshareholders.space) is how to achieve total world peace by returning all pirated assets back to our 7.777 Billion people. This is the required redistribution of massive wealth back to the third world nations and our most impoverished mountain communities In USA. This includes the Appalachians poverty communities right next to Washington D.C, and Richmond

Virginia. Manila Philippines is the most densely populated city on Earth of the few HAVEs, the rest are impoverished HAVE-NOTS, just like the rest of our world cities who are controlled by those known as THE ELITE. The cause of all poverty and wars are the few most corrupt corporate executives who are the top Bankers, Stock Market Executives, and Computer System executives who own our database Cloud farms. Sad reality is that 45% of the worlds wealth is controlled by just 5% of our world population in USA. We now embark on the most fantastic positive journey to identify who violates laws at the top level of our corporate hierarch of bankers and stock market real estate markets. Those who violate our laws have names and evidence recorded in the secret general ledger books that are the base evidence of all crime transactions resulting in massive money laundering and hiding of our peoples profits.

We hereby announce the END of all poverty caused by Corruption starting at Corporate executive level, crime enterprises, and extending into our very own Government agencies. This includes rogue criminals inside Military and even Interpol who prevent KEITH from debriefing our top world leaders.

Most of these world saving solutions are produced by unknown AUTHOR top world Scientist BuiltBYKEITH.com DUNCAN and a few of his top supporters who feed him with basic survival funds and information on WHY the HUMAN CONDITION is self-genocide of HUMANITY. He is the worlds first unknown trillionaire in Intellectual property that he has 100% gifted back to humanity. Most incredible true fact is that no one really knows how to hold wealthy criminals accountable since they use their victims assets to buy off key witnesses and extort threaten our Judges as well as paying off lawyers who are often professional liars. We ask for your immediate help to distribute this one Press Release World Announcement Summit details to everyone to bring about total World Global Peace.

Now our people own and control all aspects of education, marketplaces, stock market, banks, real estate, agri-farms, community centers, parks, roads, transportation systems (electric IOT everything).

We require and request NO ONE riot or hold mass protest rallies as that just allows terrorists and even political criminals to profit by advertising profits of news coverage that puts more cash into Elite pockets. We have already stabilized all stock markets with the same system of ProfitShareHolders.SPACE as the absolute first step to achieve total world global peace. This one ByPass By-Law set is the new standard for all public and even private corporations. No longer can limited liability companies or shell/shelf Racketeering criminal enterprises control our banks, stock markets, real estate, and commerce trading markets by leveraging our peoples assets to enrich themselves as dominating executives who rule like Egyptian Pharaohs.

For our people have been enslaved to think Nothing can ever change without an Act of Congress issued by one ruling elite controlling party. This is current New World Order system that everyone fears. It is the true reality of the crime networks between very wealthy executives and key politicians and judicial officials of the court system at all levels who enslave our people since the dawn of man.

All world Presidents are required to meet on Jan 20, 2020 along with our top world CEO's by remote conference call(s) broadcast to public over all Intl News networks and live streamed to world. This remains the most critical turning point in world history as no one can deny that evote.one found at SolutionPeace.com eliminates all corrupt persons in record time. All economic news indicators show massive RIOTS and mankind upheaval will result in more terrorist attacks against our basic human rights and more one way transfer of mega trillions of real \$\$\$ wealth to the few ELITES who truly want to de-populate Earth on pretense of Martial Law, cut off all communications/press/phones, shut down all trade, freeze banks, prevent travel, and spread false red flag news that we are under attack by a few criminal groups.

These are the reality shown on national news almost every day. BAD news SELLS products and services back to those who own the mass media and marketing service corporations. Another massive way to drain the profits of our people to the ELITE that few can see because of their uneducated status. Keith has provided the diagrams for +11 years demonstrating the true cause and effect of the HUMAN CONDITION of Free Will Greed. If anyone has objections to our methods,

they are required to submit better=best solutions to refine and perfect the most amazingly true and beneficial solutions ever published to redeem and ratify our very own new world society system.

Each of the economic remodel systems are the ONLY solution sets to achieve total world peace by returning all control and ownership back to the workers. Holding all top Corporate executives accountable as well as the few ruling majority party members is the ONLY answer to prevent mass self-genocide and further Crimes against Humanity. All of our ultimate ministries are driven by our benefactors and Keith Duncan. He and thousands of others have experienced the worst crimes of torture and human right violations based on one super criminal family Robert Dee Rose of OneOceanBahamas.com Billions of our people suffer the same acts of infamy by the few elite.

The answers are clearly generated by common sense use of data modeling architecture that our R&D scientists have perfected some 35 years ago. Few see that the artificial intelligence of data mining is the numerical analysis prime method to restore our mutual Creators wealth back to WE the People. Even ChristDomain.com eliminates the religious zealots who profit by false advertising.

Our young adults and other honest citizens now travel freely with single Intl ID system of IID shown on **FOIA.ONE** (freedom of Information Action Open Public Database). Our entire world now bypasses and replaces all forms of corruption at one time as the social equality method of **SolutionPeace.com** is the new world **UNlocracy.ORG** system of humanity controlling and owning all of our Mutual Creator's resources. All World events affect each person as our G0d's world is all interconnected by the human condition of life.

Those who violate laws are the corrupt individuals we now collectively hold accountable to surrender all evidence and publicly list their victims. Otherwise, they are manhunted down by our new judicial system monitored by the public using FOIA open reporting databases of true record. Who are those concerned about the needs of others. Who sees the true reality of our world and reach out to help those impoverished by acts of the Elite?

Most world theology including the Christian passage of Acts 4:32 is about all believers sharing their possessions with each other. This is WorldSchoolFund and SolutionHousing systems of peace as we educate ourselves how to uphold laws and to eliminate all the regulations, mandates, laws that only profit the ruling elite. Our new Foreign Exchange Student program migrates millions of students and young scientists to share technology and resources to every single nation on earth. This alone prevents all financial wars as no stupid political would declare war on a nation when their very own family members reside as free will travel citizens of UNlocracy.org.

The redistribution of wealth is from two prime sources, convicted criminals and the elite who are forced to show their accounting records and wealth. The second direct source is from millions of wealthy families who migrate to higher elevations and provide 20 to 30% of value of their construction costs of new homes and small businesses to direct fund the building of required roads, all digital communication systems, energy, water, schools, medical, and other infrastructure of community centers, churches, parks, green space, transportation systems. All infrastructure is now owned and controlled by each local self-sustained community of free will citizens UNlocracy.org.

Those who violate laws are now quickly put on trial by We the PEOPLE open public voting system using the simple methodology created and published by world famous Author Keith Brent Duncan from Atlanta GA USA. He alone was forced into JAIL for 5 times for 900 days because everyone refused to show he was robbed and kidnapped by orders of super criminal Robert Dee Rose.

END of ORIGINAL PRESS CONFERENCE Script to be distributed worldwide.

Feb 26, 2020 ### world rebroadcast. WE the PEOPLE own and control everything is the FINAL solution we publish gifted +10 years ago starting with 1976 entry NCSU Raleigh NC most extensive anti BAD everything ministries to the present MOMENT in time 1:11pm.

Health Care CreatorKeith.space. Kapihan Sa manila bay a1 and v1- 9:45am on cancer. #1 Mr. Paul Perez Pres Cancer Coalition. #2 Dr. Racheal Marie Rosario Exec Dir. Phil Cancer Society, #3 Dr. Jorge Ignacio Chairperson PGH Cancer Institute., #4 Ms Lourdes Policy director PHAP Parmapsuedical Health Assoc Philippines speaks a3 9:52 on statistics. Marichue A Villanueva is our most wonderful host who I have approached well over 20 times. Most of our world is lead by hypocrites cynics, and arrogant persons who falsely think nothing can ever change without Act of Congress and OTHERS to lea us to true freedom of UNiocracy.ORG. 600 types of cancer, 1 out of 6 deaths are cancer. A4 10am Dr. Ignacio speaks on access to medical care and prevention.

With FOIA.ONE everyone has their medical profile in one International Database so data modeling statistics can be used to literally PREVENT almost all causes of disease and even injuries. This was FixMedicine.com gift published back in summer 2010. Key is one free medical full exam once a year for all babies to senior citizens. Prevention is always the key to everything.

#1 Paul at 10:05 next step is for government to release guidelines. WOW. Expecting non medical politicians to release ANYTHING is a true criminal oxymoron contradiction in terms of reality. Most polititicians/leaders/executives are actually honest with integrity, but are perceived as mostly corrupt since that is where mass media takes OUR profits with ad generated sales revenue on the worst news makes the most profit in world history transfer from our enslaved 85% level below poverty population of 7.7666 billion. As I am only one watching humanity and the numbers.

Since I pass judgment on no one as the key ultimate observer creator sent by GOD to unify mankind, these are the answer solutions I have been leaving behind this entire time.... I state again that drugs have their role in preventing occurrence of diseases and stopping progression in targeted cases. Drugs do NOT have a role in killing off #1 anti crime experts who are sent by GOD to redeem man. This occurred 3 separate times to Keith +7 days summer 2008, then June 2012 to Jan 28, 2014. Last Oct 5, 2018 to Nov 18 2018 based on ROSE thefinalterrorist.com cyber crime attacks extreme against MY GOVERNMENT and CORPORATIONS I have claimed as fully owned BY WE the PEOPLE.

Statistical analysts of entire population health status is use of artificial Singular Intelligence (now known as kASI) (K=Keith) to proactively detect outbreaks of anything that threatens humanity by any inside or outside forces.

Video4 Dr. Igncio. 400 to 500 cancer patients per day, 30 doctors at PGH. They have no technology for medical record keeping and analysis similar to USA and Europe. Even my very own Cousin Danny Stackhouse in Charlotte NC is a reknowned radiologist who does non invasive surgery and diagnostic procedures as he was Morehead scholar at UNChapelHill 1980 to 1986.

Our system is shared responsibility (10:24am) on how to prevent then detect at earliest stages. Insurance will now be unneeded as everyone knows the rich elite do not pay for any insurance since they live off all our profits of our corporations, take little income, pay no taxes, and rule with impunity over our own judges, lawyers, and accountants. Few will challenge anyone in authority for fear of reprisals including being murdered by the most ruthless executives such as fugitive terrorist Robert Dee ROSE who is being protected by Sally Q Yates and huge conglomerate of cabal RICO enemies of the state (WE the PEOPLE). Once of my journalist friends is key member of local Masonic Lodge and asked again to introduce me to their Presidents. Many see the Masonic small business owners as the Illuminiti from George Washington days. That is obscure and ridiculous cult driven crab mindset brainwashing by the TRUE Pharaohs who run our world.

ERIC is with DWIZ. V5 is ?? Who was Abs-cbn and had breast cancer 2010 at 10:29am. Now cured.

A6 10:32 Cancer drug funds state Ms. Cembrano. Requires health FDA and other approvals for any drug to be ingested. The Pharma industry is now owned by WE the PEOPLE, not the corporate executives who profit billions on obtaining restrictive patents on life saving drugs. The key research scientists seldom collaborate and share anything since they are mostly focused on self profits as directors and executives of publicly owned drug companies. This is the most common sense use of FOIA.ONE and PreventDisease.space (needs to be re-build). The expense of any health care system funnels OUR profits to the few elite for the money always flows UP, and seldom to the people of greatest need.

Once a person is injured or sick, they delay going to free medical clinic hospital until the last moment. Even prayer will not heal them since few saints walk our earth as Keith does every day. At this point, only a few of us can HEAL our world. Mr. Perez speaks about stress and worry as the key originating points of all injuries and disease. How true at 10:37am. #3 Dr. Ignacio (PGH) speaks Tagalog. Even RIWAY.com should be open for low cost purchase by billions of people. The emerging million/billionaires are network marketing true preventive cures and build the hated multi level marketing organizations that profit only the very top Pegasus top consortium. Never my issue, always those who profiteer on others.

A8 10:40 Marichu states 'Put your money where your mouth is'. Universal health care is primary care.

iPad V1 10:40 also shows Keiths world changing solution websites open public to world. All gifted this entire time.

We could have been calling for mass protest rallies from summer 2011 forward, and HAVE. That alone will motivate SOMEONE who has authority to actually SIT DOWN and debrief KEITH and his crusader avenger teams. We have used almost every verb and noun in all dictionaries to describe the true state of the HUMAN CONDITION. Most driven by self entitlement greed. The reptiles who really eat human babies and flesh are the ones behind all these red paper tape silent wheel of terrorist reality conspiracies. This can not be simplified to any lower or higher GODs view observational creation reality viewpoint from any angle.

Dr Racheal Marie Rosario speaks about anti cervical cancer preventative vaccine. V3 at 10:55 speaks about the DATA mining resources. Philippines has most richest agriculture and Forests that produce the best drugs like Amazon rainforest in the world. Yet few will tap GOD's resources because the money flow only goes to the TOP elite. Dr Ignacio speaks about DNA gene therapy. These same technology can be used to weaponize viruses to select cultural genetic markers. Easy to depopulate the world with any weapons of mass destruction including single cyber crime signatures of anyone who holds the 'SWITCH'.

A8 dr. Ignacio speaks about China cancer patients. When Filipinos treated by Chinese doctors, the medical records are mostly unreadable and unusable. Again FOIA.ONE auto translation to English of any record solves this one basic FOIA issues universally as ONE mankind standard.

We have competent doctors here who train abroad and are not behind in the knowledge. They ARE behind in use of technology delivered to the patient = WE the PEOPLE. 11:05 am. #1 Mr Perez says LOOK AT THE EVIDENCE. !!!!! Same as I have commanded for 12 years.

Dr Igacio speaks about patent rights. Q&A about cold ice level therapy. 11:08am. breast cancer responsive to Estrogen. Prostate cancer driven by hormone and ingested toxin levels.

V11 11:11 about avoiding bad toxin foods by Dr. Rosario. Eat more vegetables, fruits, limit meat protein to 100grams per day. Do not eat meat over charcoal (toxins and charred meat). Moderation is the key. Here I am the #1 moderator of all time for last 12 years and few see the power behind these truly simple WORDS of WISDOM and KNOWLEDGE. I remain stunned so many millions/billions are being persecuted by the elite and no one knows HOW to unify reform anyone, much less all of humanity. For the word Environment I over used back as Freshman in Technical writing class at

NCSU. So I stopped using ECO terms so heavily. Been using mankind and humanity for now 10 years also. Have I overstated the true nature of the HUMAN CONDITION. Never in the history of mankind has our world faced self-genocide by the FEW ELITE.

Dr Rachl Rosario speaks about half-way houses for children and families from out of town who arrive for free medical care. McDonalds and many of the places I have visited including with Sherry Duncan back in 2010 N.C./Georgia Mountains.

Our health care system is run by the ELITE. I even went to Philippines mental health main campus 2.5 years ago on SAME missions of mercy to speak directly with their current Secretary Director. V11wrapup finished 11:15am. 8:17 in length.

Last a12 is about herbal treatments by Dr. Ignacio. 11:26am cancer treatment is a shared resource responsibility for everyone,.

2020-02-23. ### World rebroadcast to humanity....

WE JUST got ANOTHER invite to DELIVER the most powerful REFORM UNIFICATION formal request through Greco Belgica who meets with DUTERTE every week. AGAIN, we have requested meetings with WORLD presidents and executives from Sept 2011 to present. Few respond since NO ONE in AUTHORITY actually pays attention to the most dynamic replacement of all forms of governments and corporation by laws and laws in world history to EMPOWER mankind to OWN and CONTROL everything.....

Pastor (anti corruption Commission under Duterte) Jeremiah Belgica speaks at Church of the Vineyard at Palace area at 11:11am a1 on passing judgement on others. Matthew Chapter 6:25 to end about 'DO NOT WORRY'. K: Stress and worry cause crimes against humanity that are orchestrated by occult terrorists who are many of our Corporate Executive Stock option holders who control ALL our information and assets. Most of world is negative net worth despite driving cars and living in homes, rental condos, or even street homeless indigenous people and children orphans who are slave traded as street vendors and beggars, even the thousands of street sweepers here in Manila.

Jeremiah says we are free from those factors that control us. NOT TRUE. We the PEOPLE have a voice that is seldom heard because of the mass media press who are owned by these same elite. The words of freedom are simple: 'We the PEOPLE now own and control everything'. Most respond by saying THAT is IMPOSSIBLE, none of our leaders would allow that to happen. Most say, OH just forget the truth that you were tortured almost to death because you accidentally discovered a super terrorist organization run by ROSE and others.. and that I had already created and published an entire new world replacement social economic financial stock bank agriculture, energy, water, land, communally owned and controlled system that is truly 100% comprehensive in all spiritual and computer driven AI singular aspects.

When we arrive during music time, only about 20 people here and one car in parking lot next to shed 125 m2. Now about 75 people mix of all ages, very few young couples, maybe 4.

His scripture is exactly what I have been broadcasting for +12 years, actually longer. The VOICE of our people is mass media use of social justice that I truly have warned NOT to be mass protest rallies and mayhem chaos. For string theory data analysis shows these events only boost the criminal profiteering by those who sell ads to capitalize on any event.

Money: the entire world banking and stock market is revolutionized in record time with our simple fully broadcast comprehensive solution methods. The transition period will involve current day trading programs that will be modified to 'settle the difference Negative or positive regardless of Buy or Sell' from actual old trade settlement time and the delay that is enforced by mass law of large numbers of the true owners, the stock holders of current record. For each stock certificate is transferred from one unique seller to a buyer. Yet the final settled price is now determined by the

future delay period based on OTHERS who trade in that same stock. No more can anyone jump in on borrowed even stolen cash assets collateral, and cash out to disappear as a billionaire as illustrated on ProfitShareHolders.space.

Most pastors worldwide (include Amans, priests, ministers, literally all religious leaders) are full of TALK and advice. Yet few like Martin Luther King or Billy Graham exist who show that ACTION is the only requirement to restore GOD's wealth back to our communally eco-driven peace promise keepers. My fatherGOD and I understand the true Human Condition nature of greed and what drives the cause and effects of mass poverty and genocide crimes against humanity. Most is the cyber crime terrorists who are many of our most top powerful leaders of commerce and governments.

They each have a name and record of their secret transactions since they spend huge amount of time covering up their crimes by blaming others to prevent ANY investigations of their criminal actions. Few people except most humble saint Keith speak and teach openly to all who desire total world global peace. 11:34am Jeremiah asks WHY are we here on Earth. He states GOD exists in Eternity and does not exist in real time. That is a contradiction of reality of our perspired prescribed pure purpose for our existence. GOD created Mankind to further the knowledge and wisdom of his universe. Odd that GOD does make mistakes for he did create man in his own image. GOD often declares he is on verge of destroying his test earth. He relents when enough people confess their sins and actually learn to LOVE and CARE for each other again...

Not now. For GOD has monitored and observed humanity since the dawn of man. Each time he bails out humanity (Adam, Noah, Moses, Christ, Martin Luther, Billy Graham, Mother Teresa, Dr. Martin Luther King, and now Keith,, mankind has reverted back to pure predatory greed, vice, sin, and crime enterprises. Now that cyber crime is an easy signature or order, the coverup conspiracies are reality how to profit again and again.

I often must remind myself to observe the trees and nature and remember to breathe deeply to flush out the toxins of memories that have haunted these terrorists all along. Even I have visions from GOD on regular occasions when I get semi depressed and need a pickup to move me forward as your world leader.

11:40, he speaks about wasting your time on worry and stress. Money, power, and influence are driving greed factors by those who refuse to acknowledge GOD's presence and commandments. K: SolutionManifesto is UNlocracy.org

About the birds of the air do not harvest and store anything. Most of them migrate seasonally for breeding and feeding grounds provided by GOD. Many species of animals are exterminated by greed of man (Bison, Elephants, Lions, tigers, whales, many rare birds, others).

Jeremiah states Man created in GOD's image 11:46am. Who have a spirit of GOD = the breath of GOD holy spirit.

I have been accused of a few crimes by criminals to prevent ANY investigations into their lifetime careers of cybercrime attacks against OUR governments and corporations. WE the PEOPLE own and control everything based on OUR signatures on the bank deposit statements and stock certificates. NOT the executives and politicians who violate basic accounting open practices and hide behind lawyers funded by our profits. For the PROPHETS from GOD are indeed few. I am one of them most obvious to see and believe, then understand WHY I am here..

Pastor speaks about running after power and burning our most valuable commodity = GOD's time. We are limited on earth by our organic nature to die. Our spirits go to the NEXT dimension. Our NEXT generation is tasked to continue GOD's vision and mission. Free education of WorldSchoolFund and SolutionMilitary and free communications encompass us from cradle to grave. This was PhoneCradle IseeStand universal stabilizer that views all human conditions from every single angle. Ellen Valentine in Atlanta and thousands of others saw these truths. Joanne Fields (greatclips Duluth GA) and everyone I have interview debriefed know who I AM (John 10:30).

In Asia, I see how single A/C units are used everywhere, seldom is central A/C for entire buildings used because of the cost. Yet the energy conservation of TurnOffLights.space alone is how

to quickly achieve total world peace energy independence from the OPEC stock market banker wars that wage genocide wars against other cultures and religions.

We are also prime broker agents of 700 metric tons of gold. At \$1500 USD/oz = \$300K USD per 6.2kg bar, the math is staggering 161 bars per metric ton = \$48,300,000USD. 700 tons = 33.81 Billion USD. Our value is estimated 500 Trillion USD of GODs assets. noon now as local Roman Church bells toll as Pastor J speaks about authority. Who can be bought with money? Practically everyone except Keith and his crusader avengers... verse 32 "... your heavenly Father knows that you have need of all these things". = basic food, water, air, shelter, clothes, energy, education. K: Is there anything else? These described in early forms on TeenMoneyMachine found at client3635.wix.com/teenmm ordain divined to empower all our young people to be our world leaders at all levels = Total world global peace. Once millions of our young people have free food, travel, education to ANY K to High School to University, no stupid President or Congress or terrorist would dare wage war on any other culture group. No more famines, military wars, terrorist attacks, stock market/bank crime profiteering can occur and go immediately UNPUNISHED with SolutionJudge and final resort SolutionMilitary.

Those who oppose our total world global peace solutions are clearly hiding a history of crimes. 12:06: Pastor speaks about Cardinality of life. The front of their open shelter has 10 commandments in Hebrew + English. Same as reformed SolutionManifesto that also achieves total world global peace....

The NEEDS of my people are many. The WANTS of the criminal terrorists are more. Only by welding shut the sewers of these criminal networks will humanity actually prosper and thrive. The SWORD is the authorship of legally binding contracts using VIDEO to lock down the required terms and conditions of any agreement. We have unlocked the mysteries hidden by the occult using existing technology, common sense enforced referentially integrity, and GOD's original commandments and human=GOD bill of rights as final total global peace.

If I had not legally acquired ROSEs' original HWIgl.pdf general ledger and accounts payable/receivables off his Solomon accounting system Nov to Jan 2008, I would not be alive today. He remains the most wanted manhunt person on earth therefore TRUMP, DOD, Military will now FINALLY intervene. I will LOVE to see his face when I escort special forces I have paid to represent YOUR rights exercising the Patriot Act and ANTI TRUST and other legally enforced laws of human nature that are all scientifically ratified BY YOU = WE the people who know own and control everything. Just like we did in caveman days. Alpha and omega is the Last Testament Testimony we have provided from GOD as the final new world covenant period to launch us into SPACE. This immediately expanded to ALL law enforcement judicial systems from research completed back starting Jan 2008.

Greco speaks about fund raising for equipment and even a short haul bus. A few are going through the elder/deacon pastor training. 12:44pm about wealthiest man in the world versus lowest servant homeless poverty stricken person. Odd that I am both.

2020-02-22. ### World rebroadcast to humanity....

Feb 22, 2020 years to the day when I am sitting in hell jail for 2nd time out of 5 kidnappings all tied to ROSE. I debriefed other HelpInmates.com overnight when Ms. Bashama, (career criminal) and ROSE paid off police (they all have names) and the JUDGE to claim I was threatening to kill and/or blackmail Bashama on claims she made that I ROBBED MY OWN HOME, KIDNAPPED HER, (Obstruction of Justice) as I "Interfered BY debriefing over 10 POLICE", then Judges..., and assaulted Wendell Carraway (not her). ALI by flipping MY VERY OWN POLICE DEPT REPORT then CLOSING it same day Feb 4, 2011 which is an impossibility since the first responding police officer stated 'OH it is just a business dispute'. Reopened 3 times and FORGED (all felony crimes) no one ever sent me originals or copies of anything. If they HAD, I would have driven down to FBI AG the same day. I hired Berry Vic Reynolds in next few days for \$6,000 and spent 5 months commanding he demand TPO 11.1.11711.99 be canceled and Ms. Bashama arrested. He stated quote "Oh, you can never file felony charge against Ms. Bashama when she has a TPO against you. That is a FELONY CRIME to countersue a criminal which he admitted in many emails to me". Rest is Legacy History of how a few terrorists and criminals have taken over our entire economic social justice legal systems by simple false testimony and of course extorting, bribing, murdering, and destruction of any evidence that points back to their life time careers of con-artist, scamming, massive money laundering, and murdering key top politicians and corporate officials all to intimidate our world people from ever empowering themselves to own and control everything in worlds LAST open public society free of almost all crime... NO POVERTY, reverse Climate Change, NO POLITICS, no human trafficking, NO counterfeit goods, NO SEX or DRUG or GUN predators. Exactly WHAT will trigger worlds last most powerful peace revolution.

How bizarre that a GUN possession violation was NEVER the cause of Norfolk VA 4:11cr112 criminally signed by everyone from ATF special agent William banks, then GA AG Sally Q Yates on SAME day Dec 13, 2011, then everyone else who claimed WE HAVE NO CLUE who is ROSE or Ms. Bashama, and NO ONE EVERY showed the SINGLE TWO TPO #'s this entire time. For that alone would back track to the NEW World Order, the Illuminati, the Anti Christs who run our occult driven zealot world of criminals and terrorists.

They can be called nothing less than serpent snakes. Clearly I am the only SNAKE EATER as I did dine on stir fried snake in China when I went BACK overseas to finish the worlds first and last human stabilizing system to earn well over \$1 BILLION USD in pure profits by RE-CREATING exactly what was stolen off my \$50,000 USD worth of computers, my file cabinet, all those legal papers filed WITH +10 lawyers and courthouse stupid idiot judges, DAs, Police, Prosecutors, and others who have decided their very own FATE.

Prison and Death Row are too polite. They will be required to be hard day labor slaves to their victims until their crimes have been forgiven BY their victims. NO MORE WILL a GOVERNMENT claim they are the ONLY GROUP who can PROSECUTE or PERSECUTE anyone. For THEY the GOVERNMENT are WE the PEOPLE = US. ONLY ONE single Criminal Investigator, Law Firm, or

JUDGE at any level is required to bring down the HOUSE of SHAME of individuals who work as GOD self entitled Pharaohs...

Anyone false testifying is quickly PUT into prison as the simple deterrent of SolutionJudge accomplishes that ONE legal requirement. WHO will actually ACHIEVE total WORLD GLOBAL PEACE. For I am destined to return to HEAVEN on command of my FatherGOD Creator who is monitoring all the blinded fools who wander like ants on MY PLANET EARTH.... most humble walking living saint. as I risk my life every day traveling on broken down motorcycle talking with WORLD PRESIDENTS, Decision Makers, Senators, Congress, Secretaries of State/Fed agencies, and of course the same Executives and PRESS who are held 100% accountable to RETURN our profits 100% to WE THE PEOPLE who are the only workers who actually CARE and LOVE each other. 1 cor 13:13 + Matthew 24 contrast Matthew chapter 10 when Jesus states he does not come in PEACE, but with a SWORD.....

I have personally been opening scripture of our=my Bible this entire time to best of my extreme GOD gifted ability, just like Billy Graham, Martin Luther, John Wesley, and other messianic messengers. Matthew Chapter 10 speaks about using the power and voice of God to overcome any adversaries. Verse 22 "You will be hated by everyone because of me, but the one who stands firm to the end will be saved". 23 When you are persecute in one place, flee to another." Read the rest that is 100% about Keith in true context.

Many people since fall of 2011 have told me that criminals, terrorists, corrupt persons will be madder than HELL that their crime networks are exposed with the most obvious simple system of SHARED INFORMATION. I remain SHOCKED that so many people are brainwashed to NOT prevent crimes in the first place. Once they are victims or even participate in any crime, they are literally scared to death of being investigated by anyone including the press and public in generic terms. The definition of Corrupt is 'Anyone who violates the laws'. Since I have NEVER violated any law (except 5 speeding tickets lifetime), and because I am #1 world author of New World Society UNlocracy.org, how in literally HELL can so many people mass genocide our people using the simple weapons of mass destruction of signatures on court documents and secret deals to steal GOD's loaned assets. I can easily spend the rest of my days teaching humanity how to be HONEST and focused on building their very own new world system THEY OWN and CONTROL. #6 of Evote.one was just added today about how public can now vote title ownership of anything built by a Publicly traded corporation as these are THEIR assets, not the corporate executives. A few Politicians are the most wealthy in world history and use their dominance to be billionaires by controlling the flow of our funds into their dynasties. This is solved forever with ProfitShareHolders.SPACE.

If anyone wants to kill me, GREAT. It will alleviate the torture that so many of us endure because so very few people care about preventing the occult and overthrow of our very own peaceful way of life.

Verse 33 "But whoever disowns me before others, I will disown before my Father in heaven". I have personally been asking GOD to return me to heaven for now +8 years as I cried out to GOD on that Cherokee County Jail basketball hell jail court, WHY ME??? Why are you turning me over to the satanic occult of all these demonic judges, lawyers, prosecutors, and literally every person in authority I have met. No honest persons have actually upheld existing laws. **verse 34 "Do not suppose that I have come to bring peace to the earth, I did not come to bring peace, but a sword"**. Read the rest in context through verse 42.

Certainly these +12 years of full scale broadcasts will lead mankind into the Final Testimony Testament as all of this is indeed 100% scripture covenant that GOD himself speaks through myself and clearly a few others.. SO hard to find the OTHERS, since even the religious leaders are most often zealots of their own cult driven theology. Keith at 10:51am Feb 7, 2020.

The Doom and Gloom of our=my world is imminent reality, so simple to see and understand, the original broadcasts of Iseelunderstand.com as so many in our world are indeed blinded by greed and cult brain washed occult zealots who attack any competition and opposition. Just three key persons want me dead, ROSE, Berry Vic Reynolds, Douglas Vernon Duncan, the rest are all criminally incompetent and insane thinking they avoid the wrath of 7.777 billion people and GOD's wrath when HE sends others to actually redeem and reform my world. I take this very personally, always have. With 100Pesoe = \$2 dollar left to my name and nothing really left to say or do, I remain forsaken by almost all I meet and teach how to unify with any of the URL linked steps that are indeed our own new world society uniocracy.org. Feb 7 10am as I am not the one waiting for much of anything,. I hibernate for days sometimes to conserve energy. Did this in HELL-JAIL as I was literally starved almost every day, also drugged by orders of named AG and Judges since ROSE is only person with motivation, opportunity, and profit to order Murder for Hire by so many including Sally Q Yates. The 85 to 125 persons are the ONES listed on each court document. 80% of these people never spoke with me directly or had ANY reason to persecute me so severely. Feb 3, 2020 Most critical soul broadcast.

Multiple VIDEOS on youtube.com showcase how to UNIFY mankind since I truly do not expect to be on earth much longer.

2020-02-03 **intlMerchants.space** lives on, barely.

client3635.wix.com/PMinc is the direct link. IT was purchased about 6 months ago for one year.

My GREATEST FEAR since aug 2011 is the destruction of my life works that truly unify reforms mankind by quickly identified who are the top criminals. Low level criminals then have no leadership and no one in government to buy off. Total reversal of world current state of terrorist run corporations and government positions. These are the Egyptian pharaohs who think they are invincible God deities. Most have safe bunkers in remote locations in case some stupid idiot unleashes a nuclear warhead, a snake flu, poison gas, or even just a simple meltdown of all world stock markets and shutdown of all communication, banking, travel, and ability to buy basic water and food. Starvation genocide of billions of my people is always easy. The news media is mostly owned by these same Gods of advertised sales revenue. The bigger the disaster = threat, they more cash and control these reptilians pirate into their coffered coffins of death. Known as swiss bank accounts and offshore banking, they have reserves of trillions of \$\$ of food, water, oil, diamonds, gold, everything prepared to wait out the destruction of majority of my people. When they emerge, they control the few people left by offering them survival rations in exchange for their slave service. Repost this as I will when I can.

2020-02-02 ChristDomain.com I the true high church of God. "For I know that my redeemer liveth, and that he shall stand at the latter day upon the earth: And though after my skin worms destroy this body, yet in my flesh shall I see God:" Job 19:25-26 KJV back at McD church cousin of Gloria. I have no tight tithes or titles left to gift anyone. DENIED all rights to testify by speaking the absolute theTruthVault.com for now 12 years. Freedom of speech is first human rights of all. Told to shut the hell up, our people are enslaved to infamy of self genocide. Driven mad by drugs and corruption, most people give up and go ply lottery, horse computer racing(yes computer generated horses), drinking, wild sex parried parties.

Pastor speaks on a restoration, of humanity. In Tagalog, hard to interpret speaking in different tongues. Computers solve that prime issue with auto voice to speech recognition to any language universal in Babylon split mixed dialect. Speaking in tongues requires a translator interpreter. Technology has done this for past 44 years.

The world conflicts all show end of world conditions. Same each time the pharaohs use technology to overthrow our world as slave traded. Pastor is on Matthew 9 bout faith healing. Faith is unless without ACTION. The booth history of man illustrates extreme greed of predatory greed. This can not be reduced to

More elementary basics... the mindset of terrorists is overthrow the population all ways and means by controlling the flow of information. Most deadly afraid of the government and investigations. How bizarre. Individual we PAY to protect our rights are often the same ones who violate our basic human rights because of the money and power involved in engaging cabal criminal enterprises.

Next Matthew 10 is to go forth. Verse 14 is shake the dust/dirt/mud off your feet and leave if you are not welcomed. Happened to me so many times as I ministered to all church's I visited. Like YouTube video series Builtbykeith in spring 2014 Roswell Prospect Presbyterian church who told me to leave, I could not join because I asked questions of their history. "Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received; freely give." Matthew 10:8 NIV

2-3 year olds carry colored pencils to scroll on bible picture outlines. They learn to share resources or be isolated as self centered. Pastor speaks on Israel, the heart of Gods original chosen people. Who are Gods People? All 7.777 billion of my people. I take all these events deadly serious since few if anyone else bothers to ask me questions on my historical returns to teach world leaders how to actually achieve total world peace globally at one time. Hack patching laws and constitution are just ways to delay using SolutionManifesto.com as the only astute method of total reformation....

k: the complexity of our entire world system is beyond out of control and order. Millions of laws and regulations profit only the few named persons who criminally profiteer on victims even without their knowledge. Underground crime enterprises exist every single blocked community. Just look at who flaunts their wealth. See who passes money out freely for others to be dead silent. Literally dead...

Mathew 9 I quoted again just yesterday. Bio oil group Santa Cruz. Jesus recruited Matthew the not feared tax collector because Matthew knew everyone. Christ was a master network marketer. Same as myself. Yet no one knows or cares because of the above conditions of extreme greed. Purple prayer Shaw is demonstrated refers to Methodists. The tassels of gold worn by most zealots of many demon denominations indicates who controls Gods token wealth. As simple as master password access on any database, and a person is a billionaire. Propaganda coverup true conspire conspiracies are the ruthless pirates who steal anything, then use our resources to hire lawyers while murdering any witnesses.

Still in Tagalog, pastor compares Shaw's. Like david Shaw of Peachtree corners baptist jury church norcross Ga +1 770-448-1313 and dr bill Ross Marietta FBC who violate basic rights claiming no one has rights to help anyone else. Even Charlie paperless Paperilla writes long blogs on Christ values, yet blocks my email requests just like sally q Yates and MMLlaw.com. Few remember my service to God. Most too busy scamming each other at all levels, repeat of history sine the days of Enoch, father of Noah. Book of Moses wrote by who? Adam and Eve clearly did not write their own stories, could they? They hid from God as being naked apparently was a sin since no one else was around to see that sex was designed for go forth and multiple... eve ate the forbidden fruit. Was God watching over open circuit TV then putting them on trial for disobeying his commandment orders. If that event parabola (spelled properly) was not reality, would man be cloned as robot armies to fight other of Gods creations... makes no sense... so we have described the true reality of why we exist..

10:22 Pastor speaks on the BIG ONE. I voice record now. K: Any event profits the elite. #3 point is verse 22. "Your faith has healed you." GO! This is the ACT of ACTION I have repeated ad-nausea nasum. The vomit of criminals is endless. Spewing lies and false witness by destruction of their certified court document evidence. TPO 11.1.7683 shows ROSE is theFinalTerrorist.com based on his answers and truth that USA gov was investigation him at all levels aug 22, 2011. Shocked ROSE so bad, he ordered his key people to finally murder me. Who are these people. Without direct session access to all these secret databases, public will never now the depth of crimes committed.

With our (c)(tm) patent most simple system, anyone at all who violates rights of others is put on trial and evoted to their own fate. End

Entire world, and I do mean everyone I phone and I have encouraged and encountered, has zero sense of any urgency. My world of people are like ants. Busy searching for food, attacking any morsel of food, stinging

anyone in sight, blindly wandering out in Scout formation. I risk my life every single day weaving on my small 150cc m motorcycle through the most density congested city in the world going to the next meeting, all the time knowing and showing I am a true billionaire, unable to even GIFT my knowledge and intellectual property to mankind.

Absolutely everyone I encounter has self centered agenda of what is in anything for me... predatory greed, not even sure what is the name thom Kondreck. Another alias like Mr V. Another mask wore by someone who is deadly afraid of being a world leader at any level. False names, others claiming they have knowledge of benefit to others, the con artist games are played by all lost souls who have no clue about the true reality of our world social economy and why there is no true wealth in their bank accounts.

My personal frustration is so extreme , I remain stunned so many people commit crimes and violate laws, and truly I declare, no one cares. In reality most encourage others to commit crimes since that justifies themselves to Commit crimes, sin, vice since they claim everyone else is doing it.... massive corruption and genocide crimes against humanity were legalized centuries ago despite the massive millions of laws passed that claim do the crime, do the time. Our highest IQ persons of true merit are isolated, stranded, and yes, murdered when they stand up for the rights of others at any levels.....

no one really contacts anyone unless they can take advantage of others... everyone scared of being bypassed out of the priests of profit chain of business transactions. The more brokers involved in any business deal, the less profits for the producer seller, and higher price for the end user consumer. For the insurers of commerce are mostly pirates of Egyptian pharaoh origins..... regulations, price fixing, tariffs, taxes, cost of all the paperwork are mostly scams to steal a piece of cash profits.

Few but a few of us are starved for total world social justice and equality/.... call me. And stop all the crimes against humanity.... can never be this hard to motivate all 7.777 billion of my own people. For I have always taken these extreme timelines crimes very very personally... being told repeatedly I have no rights but to die.. no rights to testify to world presidents, Much less commanding the local police actually arrest the criminals who roam our world freely because no one but our few care..... I publish this also, since I truly hate repeating the most obvious fact of who I am.... keith

Feb 1 debrief to world.

Call outs on my side are failing. Beyond Odd.. call backs to me from last 11 years have been so so rare. Target of Rose was always who I was calling and who I was directly contacting and visiting. He was gps tracking my car. Not sure what method since I did not search for the device sept 25, 2011, should of had military sweep my car, certainly local cia Nsa has capacity to detect cloned routers and gps trackers. Scariest moment was when I pulled battery out of my brand new Verizon hotspot router I bought on my way OUT of atlanta with a new Verizon cell phone (my 4th cell i carried). Ga retired congressman buddy Darden (former Cobb county DA tied to berry Vic Reynolds) sent me a formal letter saying I must go debrief langley Air Force intelligence group as. My life was in danger from ROSE. I rebooted my MacBook, logged back into my hotspot named followKeith, entered same WiFi password, had full internet connection speed DESPITE FACT WIFI battery was still in detached. Easy to buy a automatic cloning router. It sniffs presence of WiFi names, records any password, and then shadow logs in. Then the clone router monitors ALL IP traffic, including emails, passwords, literally and communication protocol. When in college, my first #1 top world expertise was amateur radio, packet data, and designing communication protocols between mainframes, midrange, micro computer programmable logic controllers. I worked as top #1 consultant at cox communications fall of 2007 as security analyst with PacketCable association. This top consortium shares bandwidth under contracts across the worlds fiber optic network to increase throughput of ALL INTERNET traffic by routing IP traffic. Anyone who hack taps bugs into THAT one network has direct access to ANY data between Military, banks, stock markets, literally everything. Including call detail records and voice over IP transmissions. I have a published system that is

worth billions in no longer needing billions of USD of software firewalls and multi layer security protections systems. To infiltrate ANY database is child's play. Just get master password at lowest level of database or protocol hardware level and a simple back door, and ALL data is open for two way monitoring as well as changing and deleting the data. Blockchain is NOT the answer because of the complexity and time delay to encode a CHAIN tracker block. Call me, and ask USA GOV to escort me to safety NOW..... would have occurred sept 26, 2011 if a single person had EVER upheld ANY law.

Continuous review as real time as feasible. I have been focusing on Sally Q Yates at KSLaw.com for past years to contact TOP DOJ DOD Presidents, literally PRESS and everyone on her role and ties to Organized criminal RICO Terrorist Robert Dee ROse. Clearly she is the SAME person I went to ask for entry into Federal Witness Protection Program Sept 2011 and subsequently she was criminally incompetent violating SO many laws by signing Norfolk VA 4:11cr112 Dec 13, 2011 as LITERALLY NO one has asked a single question about WHY I remain on EARTH. We accurately label ROSE as the AntiChrist for most obvious reasons that even Military refuse to seize him therefore

2020-01-13 Monday Most critical Broadcast is ALL of the methodologies produced and distributed to entire world by BuiltByKeith.com NGO Trust Foundation who are truly the saviors of our world economy by empowering each and every person to OWN and CONTROL everything.

Most people falsely believe the value of our world economy are the stock certificates and FIAT currencies being used in exchange for trade. These are PAPER, ONLY PAPER. The true value is the physical assets of buildings, land, food, water, energy, roads, schools, transportation, and our marketplaces of shopping and trade. Everyone falsely believes that CASH is KING. Currency is worthless without the agreement of two parties to trade products and services at a price they agree upon with legally binding contract agreements. If trade is done immediately, no paper work is normally required unless fraud might occur. How many times does a drug dealer or prostitute give a receipt for delivery of their services. NEVER, for the money laundering. With video recording of a contract and delivery, a person would be criminally incompetent = STUPID to defraud or scam con another person. When I video recorded Ms. Bashama threatening me Jan 27, 2011 I knew she was a criminal and was about to evict her from MY HOME. Instead she robs me Feb 3, 2011 Marietta PD Report 11.1.2506. and I GO TO HELL-JAIL 4 times because of HER and terrorist Robert Dee Rose.

Our unique (TM)© Patent Proprietary system is gifted to humanity to eliminate all stock market computer trading that criminally profiteers only those who get IN and OUT of market to make PROFITS. I truly have always believed I was sent to observe humanity and provide the solutions to reform unify mankind. None of this is a 'PIPE DREAM'. It is humanity reality to TAKE ACTION when attacked by evil persons. Our very own FBI AG refuse to acknowledge ANYTHING about anyone since appears their rules and regulations state ONLY the local police can engage their services. Victims of Organized RICO crime who are eye witnesses and also the #1 anti crime experts in world are NEVER allowed to testify since that alone would reveal WHO is violating laws INSIDE our very own agencies we PAY to maintain Peace and Order. 98% of our GOV people are HONEST and hard working. Just a few at bottom, middle, top levels commit crimes against humanity with simple SQL Statement of 'Delete * from NCIS.table where name = 'Keith Duncan' or Name = 'Robert Dee Rose' so that NO investigation will EVER be completed as this is just a minor way to DESTROY evidence. Human Original Condition is to FIGHT for SURVIVAL. To Be the FORCE behind deciding our own reality and destiny. Every single transaction is tracked by those who WE PAY to provide us convenient services including Taxis, bus, train, airplanes, cruise ships, even landing taxes and port of calls. Tariffs, import/export duties. No one loses the money. It all

goes SOMEWHERE untraceable and untraceable in form of graft, secret Swiss/Cayman/Isle of Man bank account safety deposit boxes, diamonds, Gold, Gulfstream G650s and yachts like the Dixie Rose \$1 million USD charter fishing yacht that is actually loaded with \$400,000 USD by ROSE and Joseph W as remote cyber crime attack telecommunications center.

HOW DO I know all this. Simple THIS is my life of using technology to save humanity by leading all world Leaders to our new world of NO SECRETS. Open Public Domain Source of everything is Shared Resources that would have been mainstream reality back in Karl Marx days if anyone had seen the TRUE reasons for WHY GOD sent a few of us to SAVE YOUR BACK BACON DAYS. For even Bernie Dohrmann I gifted a Black T-shirt Dec 2014 stating, " I HAVE YOUR BACK" on a image of a SPINE as most people are indeed SPINELESS reptiles who slither sideways to move forward and attack anyone when they think OUR assets are ready for STEALING. From Oct 3, 2011, anyone could walk into my two homes and STEAL anything. My computers, passwords, extreme database and the most critical assets of all, THIS SAME SYSTEM..... Of NO Politics and CRIMES will occur one the TOP KEY LEADERS actually GET OFF THEIR ASSET THRONES and simple call me..

The TRUE reason why I am still on Earth Jan 11, 2020 is ALL of these solutions unify mankind as I work full-time for GOD and all humanity. We are the hidden billionaires even trillionaires.

The most prolific authorship of all time is broadcast to world to save themselves from the base primal root issue of Predatory Greed that WAS survival of the strongest. This is true today as a few thousand billionaires and millionaires are actively depopulating our people in mass genocide operations since their only focus is 'MORE PROFIT TO BE MADE IN ANY MARKET'.

BBK20200111 ### World Rebroadcast BuiltByKeith.com Walking Saint R&D Scientist Global Mediator #1 expert. The only world solution is [SolutionPeace .com](http://SolutionPeace.com) = [Client3635. wix. com/ SolutionPeace.](http://Client3635.wix.com/SolutionPeace) Our world descends into the pits of Infamy Hell once our stock markets collapse because of REFUSALS of key Decision Maker Influencers to escort Keith to safe haven as most formally requested Sept 25, 2020. Asking for Political asylum against the most ruthless terrorists is the top priority for any scientist under attack by Robert Dee ROSE and other pirate GOD Pharoahs who roam freely using OUR internet, tracking OUR IP addresses and murdering any opposition who they know have already put them on Death ROW by ONLY their very own evidence.

For ROSE, he paid off Cherokee County Matt Pettpher back on Sept 26, 2011 9am to issue arrest warrant that was unsigned/undated and clearly showed ROSE is a cyber terrorist. All subsequent crimes were committed by STUPID ASSET-HOLE idiots who thought, oh JUST Sign on the dotted line and we GET PAID since WE are protected by immunity and USA GOV regulations. I barely escaped alive by one signature of Dr Williams, otherwise I would be DEAD starting Oct 3, 2011 forward. After 1.5 years of being kidnapped, AG someone decided to do a CAT brain scan on me. They said they found a small mass in part of my brain. They use ANY EXCUSE to claim I was a vegetable who did not have a CLUE what was happening in your reality. Therefore I documented EVERYTHING, just like I did back age 12 forward. With advent of technology and unlimited memory with processing brains of super computers interconnected to everything through all IP connected Integrated circuit device, our turnOffLights.Space system is the last key to create the required data driven Artificial Intelligence of OUR new world society UNlocracy.oRG

Friday Today Gloria and I are at WorldTravelVentures.CLUB (.space) at Arenata City Rm 302 of WorldTravelVentures.club who needs our help also, just like rest of humanity as at this point, seems I am ONLY person sent by GOD to saveAllNations.com (another lost website domain).

I, keith brent duncan (DOB 1958-Aug-15 High Point NC USA), + my **BuiltByKeith.com** teams, have **legally CLAIMED 1% of all crime assets seized** using these most prolific answers to SOLVE all CRIMES and PREVENT all future occurrences in record time. Each of you claim the same.

The absolute refusal of ANYONE in USA and even here to use our unification methodology, services, and products has always been a crime. I am risking my life everyday riding on 150cc Suzuki Black Horse weaving like army of ants throughout all Manila and all of Luzon. 50P left in my wallet, a \$20 USD bill all is left of billions of \$\$\$ Intellectual property stolen off my massive R&D computer network and even STORAGE on CD-COMs, emails, printouts, court documents, and stream of conspiracy crimes already turned over to thousands of law enforcement (29,000 FBI agents, 12 FBI profiles), AG, USMilitary, and of course the original police department reports all showing ROSE wants me DEAD and absolutely NO ONE in USA GOV has protected MY RIGHTS therefore NONE of your rights are protected by default. The Bataan Transit buses all show up to park at one time. Mariveles is their route from Arnetta city, Purdue corner New York ave. The Bataan death march by the Japanese I covered 2 years ago in extreme detail. The death march now is humanity. I sang Onward Christian Soldiers hymn on way out of door this am, as our warriors of walking saints must unite to free and liberate our people from the massive infamy oppression of the few billionaires who are bankers, industrialists, capitalists, and of course the Stock Market broker executives. Without even knowing their individual names, we can all see they violate basic human right and SEC laws by insider and secret trading of OUR profits, dividends, and bank deposit interest. They pay themselves first, use our assets to hide behind lawyers and cooked general ledger books, and live entirely off our assets while accumulating Executive Stock Options worth collective trillions of our Prophets. I munch on a little gouda cheese and bread for Meica group has not shown up by 8:30. NO military or anyone has EVER called me back to restore my stolen assets so numerous I have been cross listing them at this time.

The true reason I am still alive is a real mystery to even myself. I am studying the infrastructure of entire world even now. 1. Seizure of criminal assets is always easy by identifying who violates laws and putting them into prison with SolutionJudge.com as everyone now eVotes if a person or crime network is guilty or innocent based on hard evidence and live witness accounts. Every video is the key as it is impossible to PATCH video as the frames of bits are impossible to forge and go undetected with differential compare fast Fourier transformational analysis.
2. The most extreme transfer of wealth is from migrating first billionaires and millionaires to 3rd world nations. Part of this ordained process is for our people to evote that all executives must exercise their Stock Options NOW, take the income, report full taxes, and then they can maybe continue as corporate executives. The stock market will indeed have major dump downturn except for the corporations that have true intrinsic value. For we have already publish engineered ad free FOIA.ONE database that literally eliminates Facebook and Google, as well as all other social media trading platforms.
3. The last major wealth is that held by religion groups. Sources claim the Vatican bank in ROME controls trillions of \$\$\$ in secret funds.

My cell iPhone 5s from March 2014 is barely alive on same battery. Only other possession I have is the original CreatorKeith.SPACE 2 selfy sticks, and my leather wallet. Absolutely everything else is STOLEN criminally or SOLD off to create your new world system. I do NOT use the word ORDER since that is the conspiracy of the named criminal ruling elite who command our databases, armies,

Most people say JUST forget about the fact you were tortured so many times by orders of ROSE through AG and Fbi agent persons who clearly VIOLATED all human rights. To prevent the true savior from teaching mankind how to save itself from the terrorists who roam freely because our very own law enforcement agencies at all levels NEVER SHARE anything for fear of being investigated for internal crime RICO enterprises we pay THEM to prevent. No one investigates anyone for fear of being murdered and their families killed. Happen to me so many times, I lost count. All by massive observations of reality as the Prophet of all time. Romans 12:1 Offer your bodies as a living sacrifice, holy and pleasing to GOD. Some religious and criminal zealots use this one phrase to convince their slaves to sacrifice themselves to their GODs = them. Same as Pirate Egyptian Pharaohs who were also family dynasty demonic in thought and deed. The top of the food chain are criminal banksters (mobster + banker), those corporate executives who violate laws by trading our assets and taking first profits while hiring protection rackets of LLP lawyers who are also mega millionaires protected by the SAME laws their buddies pass to prevent any investigations as they are currently IMMUNE from prosecution for THEY are also enterprise in crime with Judges and even Supreme Court Justices as well as many Generals who run our DOD. Our system changes the rules of engagement for all humanity. Yet all the DEAD SILENCE indicates for decades we are JUSTIFIED to COMMAND, COMMUNICATE, CONTROL, and CARE for our people since no one else truly cares about survival of our world people. The RAT race is the maze of office cubicles and trillions of real man-hours waiting in line for almost everything.

The brilliance of the LIGHT of LIFE is the metaPhysics when nothing is lost and nothing is gained in terms of energy. Time is always lost since it is a non replaceable commodity. Vaporizing people and cities clearly destroys civilizations forever. SolutionRedDot The terrorists who control our computer system and databases have full control over everything. This is ROSE in a nutshell since he is the most ruthless pirate terrorist anyone can SEIZE. theFinalterrorist.com was WhereIsRobertRose.com summer of 2010 forward. NO ONE has ever showed up in COURT or anywhere to represent my best interests and to command the arrest of more than 125 persons all tied to ROSE by their very own signatures and corresponding linked evidence. No one showed up to protect me feb 22, 2011 or exactly 6 months later to the day Aug 22, 2011 in Cobb County GA 11.1.1171.99 11.1.8376.99 to command Ms. Bashama and ROSE be seized. Result has been the most PROFITABLE broadcasts in world history as I truly can not imagine any world issues/problem/conflict/war I have NOT solved at any level using basic computer system design engineer deploy cycles I perfected 1976 forward.

Tonight we are at MybizPeople.net = client3635.wix.com/enzo I designed for them. Only Tom Haag in Las Vegas has recently emailed after disappearing for last 2 months. Same as thousands of others I have met in just last year, and tens of thousands who personally know and all love me for what I have done for environment of MY WORLD, YOUR WORLD = UNlocracy.org

The Number 11.11 keeps appearing. Today is 2020.01.01-11:11pm approaching in 4 hours. I am indeed the worlds first trillionaire as demonstrate showcased with everything I have gifted personally. For I DO TAKE THESE CRIMES against HUMANITY very personally. GOD clearly sent myself and a few others to be the master MEDIATORS for all world presidents and executives to saveALLNations.com. This WOULD have occurred back in Oct 2011 as I was subpoenaed by super criminal Alexander Cyclone Covey in May 2011 to put ROSE in PRISON on RICO charges Oct 23, 2011 Fulton County Court. Cyclone knew everything and is AGILELaw.com terrorist leader that FBI AG refused to even investigate infiltration of so many courts through the lawyer depositions of trillions of real \$\$ intellectual property and evidence of massive coverups and murders. It is now 10pm Stardate 20200111. For careful numbering of year-month-date-time and item is quick ability to sort once anything is placed in any database. All world evidence now cross linked in FOIA.ONE as I truly have no clue WHY I am still on EARTH.

The value of all the intellectual property, videos, photos, emails, websites, is comprehensively complete as my health deteriorates since I have NO coverage protection from NO ONE except a few from Oct 25, 2011 forward in time.

The economic damage has been trillions of dollars in intellectual Property Keith and his scientist teams have gifted to humanity from 1976 forward. These simple methods identify and overturn all corrupt individuals to stand trial for their crimes. The seizure of trillions of real dollars in wealth are now used to construct new all digital sustainable villages in third world impoverished nations starting with Philippines, then other Asia nations of Vietnam, Cambodia, Malaysia, and the slave traded other nations in Africa. The oil stock market is now stabilized by use of TurnOffLights.SPACE and SolutionSafeWater.ORG that truly eliminates need for almost all fossil fuels in next 2 to 5 years.

The **current Weapons of Mass Destruction** are the secret documents created by the Ruling Elite to steal our assets at corporate levels and control over taxes, those who not only make our laws, but violate laws all to secretly control and dominate over our people. They use our trillions of dollars wealth to hire liar lawyers whose only role is to persecute the whistleblowers and victims of organized crime. These lawyers become the most popular celebrity judges and court officials who are so wealthy and powerful they become our political leaders at all levels. Their salaries are an illusion of their true wealth. The same applies to our corporate system of protected Enterprise Entities that prevents any individual from being held accountable for violating basic accounting and open financial disclosure laws. The weapons of mass destruction are easy to see on the **general**

ledger transaction books the public and stock holders are prevented from auditing. The Elite live off the corporations and seldom personally receive income, therefore they pay no taxes and leverage everyones assets to accumulate billions of real dollars of our toil and labor of our workers.

Our new system requires complete disclosure of all net worth wealth and assets by Feb 28, 2020. Anyone who under reports their asset net worth by 95% estimation audits, is required by our new Constitution to turn over the balance to CreatorKeith.SPACE NGO trust foundation on April 1, 2020 to be used as public direct funds to build schools, medical, roads, energy, water, airports, and the infrastructure systems in 3rd world nations. All legally authorized by order of majority of our people using evote. April 1 is infamous Robert Dee Roses. IID 1-19710401-1 (integrity rating return -99%)

Our people are uneducated for a very specific reason. The ruling elite want slightly educated people to run their factories, malls, stores, and companies as clerks and assistants. The agriculture and transportation industry along with our basic police system is set up the same way. USE the people to make profit at the highest level, as the only thing that matters is; "MORE PROFIT to be made in the MARKET". They want a huge factory workforce who are told to WORK HARDER, DO as you are TOLD or you are FIRED without pay or benefits. They are told by advertisements to **BUY MORE, Borrow more, go into debt** since everyone deserves to own their own home and car. **Buy insurance** to pay for unexpected events like death, disability, accidents, fires, theft. All to bring the wealth of GODs people one way into the storehouses of the Stock Options and extreme benefits offered to top Elite Executives.

We the PEOPLE speak the truth of the current reality of the resources earned by you are being systematically captured by the few known as the New World Order, New world government, Illuminate, mobsters, and other most accurate terms. Some refer to the Elite as ET Extraterrestrials as reported by Corie Goode and and Alex Collier. The 'Global Galactic League A few of the ELITE design and want crimes against humanity and self-genocide since they are safely hidden in their fortresses in remote islands, their mega yachts like the 'DIXIE ROSE', and have aircraft to escape any world war four.

World War Three is the cyber crime terrorist attacks conducted hourly on our computer data centers. Simple use of a low level password and back door access enable billions of real dollars transferred to outside accounts used to build more fortresses including all the hidden safe deposit boxes of gold, diamonds, stock certificates, and of course the most critical information, the accounting books that are mostly digital in nature.

The four key aspects of our new world society eliminates the ability of anyone at any level from violating laws and escaping the justice of our new legal court system.

The first is returning the economy back to WE THE PEOPLE when all our National Presidents and top CEOs with host mediator Keith Duncan's R&D groups conduct the worlds last Open Public Peace Summit on Jan 20, 2020.

1. UNlocracy.org is the new world society owned, controlled, and run by humanity as free citizens to conduct open trade worldwide with free communication and Education provided by WorldSchoolFund.com.
2. SolutionManifesto.com is the new UNlocracy society single world constitution that protects the civil rights of everyone with no exception.
3. SolutionHousing.org migrates billions of persons to higher elevation as the true transfer of mega trillions of real value wealth is owned by the few who must now declare their net value by Jan 20, 2020 or face prison for concealing the source of their massive income and wealth holdings.
4. ChristDomain.com also achieves total world peace by showing all religion groups how to work in cooperative outreach ministries to solve all their own local issues. Therefore very little

government is ever needed again and the mega corporations are downsized by the following simple common stock market system.

5. **ProfitShareHolders.SPACE** returns total control over the leadership and compensation benefits of all executives and management. This is also the new universal standard to eliminate all day traders and stock market manipulation by the ELITE who currently control and pervert all transfers of our wealth to their family run crime dynasties, all by hiding their corporate accounting books, secret contracts, payoff bribes to politicians and underground connections to the billionaires who secretly control everything. We now have a simple method of use of EVOTE and FOIA to identify the flow of information and assets to identify who is NOT paying taxes and who is acquiring massive wealth by violating existing laws.

SolutionMilitary.com One World combined Military is total Global peace for the common sense reason that the **eVOTE.one** free will citizens decide best use of our military officials and warriors by converting all the war machines to Peace Keeping tools. The current WMD Weapons of Mass Destruction are the paper chase secret conspiracies conducted by a few Corporate Executives known as the 'Criminal ruling Elite' who murder and persecute our most righteous Research and Development scientist warriors who fearlessly protect the rights of all others as the only answer to teach humanity how to ensure the integrity enforcement of the most basic human rights seen on **SolutionManifesto.com** and enforced by all elected system of both Government and Corporate leaders who work for the people, not their family dynasties.

The four basic components of our Military are Command, Communication, Control, and Care.

1. Command: The first required step is use of client3635.wix.com/CCWGuard to teach all communities how to protect their own community properties with simple use of psychology, centralized call-out list of residents and visitors, and use of free internet communications so everyone in world knows WHO is WHO of open public database **FOIA.ONE** deployed at local level and then combined at Interpol International level.
2. Communication: The second required action is use of cell phones by all military and police at all levels. With automatic face recognition and use of photos and video, anyone committing a crime or investigated now goes on public display in FOIA.ONE to ensure that justice is served immediately without ability for a wealthy person to intimate key witnesses and walk free because they extort our judges and pay off the liar-lawyers.
3. Control: **SolutionJudge.com** is the basis for our new judicial system deals with violators at community level by elected officials of the court. This simple method of fairness ensures that false witness and hearsay is punished when the evidence indicates to eVoteing public that a person is not telling the truth by inability to present irrefutable testimony and supporting video, photos, certified and supporting documents.
4. Care: When local community officials at government and corporate level refuse to be internally investigated, our military investigators are dispatched as a last resort to obtain the required evidence and testimony.
5. Because of the integrity design of our new military forces, no President, Congress, or rogue group can ever use military force to wage war on any other culture or faction ever again.
6. Any violations by a military personnel including top generals are taken to military open public court. If the court decides this is a civil violation, the person is taken to court at community level.
7. The International Court of Justice in Hague now focuses on Wide spread Human Right Violations.

The Best use of our old weapons of war is now Peace Keeping instruments of Social Equality and Peace.

Nuclear Aircraft carriers and support ships now are portable gigawatt power plants and hospital ships to evacuate in case of plague, natural disasters or even massive terrorist attacks on our mega coastal cities and refineries. All Military surveillance systems now work together sharing intelligence with the public on world events. No secrets means no wars can be waged by anyone as no nuclear buttons are needed again. We now build safe remote nuclear plants.

Keith and a few are the key Spokespersons sent by key person benefactors to mediate all. if we are murdered from now on, our system of World Peace will quickly find all criminals responsible with Military use of Open Circuit TV eDevices using [FOIA.one](#) and [SolutionJudge.com](#) We fear no one. the criminals fear everyone once they see their own evidence exposed to public so anyone can claim bounty on their heads.

Everyone now uses **EVOTE.ONE** to decide the next best project that benefits local and then national interests of our people. No more politics or mega dynasties are allowed with most unique combination of published [SolutionJudge.com](#) [SolutionMilitary.com](#) [ProfitShareHolders.SPACE](#) and [kTrader.SPACE](#) become the last new world universal stabilizing methodology ratified by public, all stockholders, and company employees. No longer can any Politician, Political Ruling Party, Corporate Executives, or underground crime network control any aspect of our markets and governments by hiding secrets of their crime syndicates.

Nov 24, 2019 Years 2019 - 25 years is year 1994 in Birmingham. The cornerstone of Riverside methodist Church is example of the the Acts 4:11 'Jesus is the stone you builders rejected, which has become the cornerstone'.

With advent of speech to text, our entire world now interprets the truth from any dialect to any other translated dialogue. God and Humanity are both glorified at the same time is John 10:30 'the Father and I are one'. Nothing is left out of context as many of our top religious leaders quote scripture after passage and often pervert the original intended teaching solution by ignoring the pre events, reality, and after effects of the original issue. By changing the cause of the issue and related problems, prevention of downline cascading crimes occurs. The cost savings are enormous as everyone knows that designing perfected solutions starts with open lines of communication between those whose tasks is to engineer refined self correcting systems of artificial intelligence known as singularity. The acceptance of universal accepted stabilizing solution methodology is the true answer for achieving sustainable world global peace.

ProfitShareHolders.SPACE is the true answer to restore total control of all economies back to humanity. Most banks and stock markets along with real estate and trading platforms including the shipping and transportation industries are controlled by a few billionaires who are in league with under criminals who use cyber crime to threaten the lives of anyone who opposes their criminal rule and dominations. Formally know as mobsters, we collectively call them 'The Criminal Ruling Elite' They all have names and are instantly found on FOIA.ONE conceived and engineered by Keith Duncan of Atlanta GA who is our world saving hero of all time.

Share Holders and Workers now collectively own + control their companies.

1. Shareholders vote by New ByPass ByLaws on: Who are their executives and their package of total compensation and benefits. No more Board of Directors and underground crime networks can control our stock assets and use of profits to criminally profiteer including Campaign Contributions, Stock Options, use of corporate assets for personal use profiteering, and other abuses of your intrinsic based company. The highest merit persons are voted as our managers up to our CEO's. These are all the most common sense data modeling solutions of all time.

2. Shareholders collectively vote/agree on delay time/days between Buy or Sell order and actual execution day at the future high or lower price. This destroys all day trading, prevents all stock market crashes, stabilizes all real valuations, and empowers all stock holders and staff to control and manage all major expenses, product/service changes, and therefore their own share value benefit payouts. All corporations now achieve true **INTRINSIC** values determined by true world valuations.

3. For each Stock purchase, a delay period is collectively agreed upon by all stockholders by Majority eVOTE. Anyone buying stock is required by this one by-law to wait specific period of time (minutes, days, weeks, months) before they are authorized to sell their common stock. Because each stock certificate is registered in a single individuals name by FOIA.ONE IID (or collectively held by an investment group or represented by a proxy agent) every single transaction is now open for public viewing so no one can ever commit fraud at any level and go unpunished with [SolutionJudge.com](https://www.SolutionJudge.com) and other ordained solutions published and protected by Keith Duncan.

4. Employees collectively vote on the benefit packages for their peers, upper and lower tier organization structure. This eliminates all Trade Unions as unnecessary and collectively uses the engineered divined SolutionPeace.com/5Steps method to benefit all involved by focusing on the most efficient supply chain creation of state of the art branded products and services that eliminate waste of time, manpower, and God's original natural resources. Use BidOnKeith.com Duncan #1 Evangelist.

5. Any Executive who refuses to use above can be OUSTED by their shareholders and customers who are OUTRAGED the individual violates their daily voting rights to decide the Profitability control of their public open owned corporation. Applies to employees of all private corporations once everyone sees that everyone benefits using the simple Scientific methods of BuiltByKeith.com.

Who calls us next as we are the purely neutral Economic Modeler Analysts of all time.

#####. END of Most Dead Serious World Broadcast by World Presidents.

Dec 31, 2019. Previous daily world broadcasts are required stored on keith's NOTES folders, hard disk backups, and most obvious broadcast to as many people as possible. For this has been IMPOSSIBLE to notify the correct authorities since Jan 15, 2008 for the most bizarre true reality conditions. USA and most other systems are set up by lawyers and ?? Who set standards that only POLICE or ?? Can pass crime information up to IRS, FBI, AG, MILITARY (DOD) CIA, NSA, CONGRESS, PRESIDENTS. Anyone who is a victim of organized crime is required to RISK their LIVES and all there assets to NOTIFY the first CRIMINAL INVESTIGATOR required to notify Prosecutor, then Attorney General, the clerk of courts, then file all the STUPID STUPID STUPID red paper tape electronic database evidence to Grand Jury Indictment, then PASS to a JUDGE< get all those signatures, THEN issue Arrest warrants, FILE again, SEND out ?? To find the accused, and the process is ENDLESS and cost to US WE the people means WE LOOSE everything. NEVER to get our stolen assets back MUCH less ever get the justice we PAID FOR. All while risking our lives since the TRUE DUMB-ASSES who run our system (just a few of them of course), are TOO BUSY chasing the women in the office, going on trips, whatever. All at extreme cost to US (NOT the USA, US) and at EVEN MOST EXTREME peril to the victims the most insidious crime network of PEOPLE.

Since I am the worlds LAST survivor and designated survivor of the most criminal terrorism network, I have earned the right to be your new sovereign nation leader of UNlocracy.org. Once the PUBLIC and PRESIDENTS and literally WORLD see and truly understand who I am, they will PROTECT me for the rest of my life for the most obvious reason: I hereby most humbly state, I am indeed a walking living saint. Why waste words. It is now 11:11pm New Years night in Tagatay on top of mountain range 3 hours by bus from South Manila with Gloria Reyes. Even she has little clue who I AM, same as the tens of thousands who I have personally witnessed and shared all aspects of HOW to reform our entire world at one time. A few reformation solutions will NEVER complete Christs and others missions for indeed we ARE sent by GOD (call him what you want, I claim him/her pair as FATHER of HEAVEN and Mother Earth. If I knew WHO to contact NEXT I would have back inthinking here.. back in summer of 2010 when ROSE was actively stalking my homes and deciding how to MURDER me without leaving any traces. Certainly ROSE was using my call detail records, GPS tracking my movements, and WHO I was contacting. EASY when you use old technology I was instrumental in creating 1976 forward NCSU. Few have EVER accomplished what I have done in last 61 years. If they HAD, our entire world would be peace and required harmony.

I remain in isolation and poverty BECAUSE of ROSE initially and now am determining WHO I talk to NEXT to COMMAND Jan 20, 2020 event actually obtain total world peace. SO hard to find ANYONE who has FOCUS and COMPETENCE, since few have ANY CONFIDENCE at all to most peacefully SHOW world HOW to eliminate criminals (cluster networked of course) by LINKING them all together by their very own testimony and evidence.

WITH our replacement new world law enforcement system(s) everything is required to be integrated and shared as well as broadcast to the PUBLIC for instant identification of WHO is WHO, and WHO needs our help to lift them out of crime situations and of course PREVENT POVERTY in the first place.

WHO DO YOU KNOW is the most powerful request EVERYONE must use to ACHIEVE NETWORKED communications to FIND the best PEOPLE to REPLACE the existing crook criminals and terrorists who remain hidden from sight BECAUSE FEW if anyone cares. Just turned 11:11pm, time to go check my cell phone, a few more [facebook.com/keith.duncan.9231](https://www.facebook.com/keith.duncan.9231) and I expect to RETURN TO HEAVEN since all these stupid people I have encountered are too busy SCAMMING each other on false pretenses they actually CARE about each other...

Below is quote from Bill Pedro March 27 in answer to Q about Apostle Pauls imprisonment. Same Question a few ask about Apostle Keith Duncan. Why was Keith persecuted as an Ordained baptist Deacon for 848 days, then another 5.5 weeks Oct 3, 2011 to Jan 28, 2014. Only by the intervention of GOD at the last moment, did a Dr. Williams confirm Keith was NOT a danger to society and told JUDGE Jackson, okay to release. After 2 other sub contractor doctor evaluations criminally tried to Force Medicate Keith to be COMPETENT for violation of a gun possession warrant that was clearly NEVER a violation since ROSE and Ms. Bashama had both ROBBED keith's homes and paid off so many people in Atlanta, then NYC, then Norfolk VA, then Raleigh NC to be DEAD SILENT about any

of the crimes committed by millions of others. All solved with SoutionJudge.com and other ordained covenant commandments delivered by Keith and ratify confirmed by 7.777 billion people as the only way to eliminate all crime networks run by MONEY-Psychosis criminals who violate basic human rights of compressed single new Constitution of SolutioNmanifesto.com

Bill Pedro: "It is likely that after Paul's initial 2-year imprisonment in Rome he was freed and traveled to Spain as he had long desired. The Book of Acts comes to an end without discussing either of these subsequent occurrences. His preaching in Spain is attested to by his contemporary *Clemens Romanus* who tells us Paul traveled "to the extremity of the west." It may be that after his preaching tour of Spain and various journeys following in the eastern Mediterranean that he ultimately returned to Rome where he was arrested.

If indeed his last letters were to his disciple Timothy, his legal situation was less sanguine than the first when he was only under "house arrest" and allowed visitors with whom he shared the Gospel. Paul's letter of II Timothy suggests that he'd recently been at liberty in Troas and asked that some of his belongings be fetched for him. He tells Timothy of a trial when "At my first answer, no man stood with me, but all men forsook me." There seemed to be little chance of Paul's release and he concluded "I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight -- I have finished my course -- I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me in that day, and not to me only, but unto all them also that love his appearing."

If one visits the Roman Forum today and enters the nearby Mamartine Prison, you'll find attached to the wall a list of famous prisoners of the past, among them Peter and Paul." ### end of quote from Bill Pedro.

Spying on others and cyber crime is #1 crime of all elite scammers. Keith. At favor.church as James Austin talks about the hope of all hearts. He complained to me 4 months ago as he refused to cover me. When I have covered him and world my entire life... lines of communication broken by those who Ar so greedy they preach rather than teach as we have shown world..

iCloud storage photos deleted for auto sync of notes and contacts. Sad and true

Scared to death is description of most of mankind. Scared to face reality of self impeding death by the few elite who have names faces, gps tracked locations, and use OUR God gifted internet to Duncan Yo YO cyber crime attack anyone around the world remotely. Pay off anyone for the lowest level password and bsckdoor anyone is in 2 way communication. Black box intercept any IP and cell phone transmissions and hear, see, and blackmail murder any victim who poses a threat to their total control domination over mankind. These are the repetition Re-Italian reptilian meat eating Egyptian Pharaohs who perform miracles to convince our people they are the only GODS of commerce. They were engineers of genocide. They tunneled water from Nile down to the pyramids, opened up the solutionSafeWater.org pipe, and water flowed out of the top of the Ponzi scheme structure as they stated, bow down NOW, pay your respects or we call the SUN GOD RA to cook your meat on your flesh. Laser space guns and rail gun projectiles are part of turnOffLights.space that uses technology existing to now explore interstellar space. We even have old ways to refuel spacecraft over and over using spent fuel ice crystals left behind from previous convoy flights. How come no one else has created trillions of real \$\$ benefits to mankind, THEY HAVE. Tulsa was cell phones wireless transmission of electromagnet energy, water burning engines are rumored to exist 25 years ago (HYDROGEN is a key). Even FORD keypad entry patent is a stupid monopoly on JUST Fords. Same as the intermittent wiper murders. ROSE and very powerful named people want to MURDER YOU our inventors and scientists for they are threatened by ALL the most comprehensive solutions we publish. TOO BAD for THEM. For the brave hearts of our groups have a solution for them. SURRENDER and confess in writing and video who are your victims and how much assets you stole from our families. When eVote.one is used, the victims determine the punishment and restitution in our perfected checks, and balance system. After restitution made to, victims, 1% goes to crestorKeith.space as we are the worlds most powerful Solution Provider of 5steps found on SolutionPeace.com. Rest goes to, build communal shared resources determined by will of manhours of will of majority of our free will citizens of UNlocracy.org

Defined as a shared resource communal society, everyone benefits based on their contributions to protect all others. Wealth accumulation is fine and acceptable. Those who are healthy and do not contribute to benefit of others become the lowest caste of society and are given simple jobs to earn their daily bread and save place to sleep at night. Accumulation of extreme wealth is automatically limited by evote of everyone based on their integrity rating of IID of FOIA.one central standard universal database.

The more respected our wise person Professors, monks, pastors, scientists, researchers become, they more amenities they are offered with same shared resources of free food, hotel rooms, overnight as guests in our homes (most preferred as I have done with famous eyewitness news castle caster I stayed with sept 21-25, 2-11 Greenwich Connecticut who saw my public video that ROSE was extreme threat to my safety and our very own government and military.

I am watching Netflix conspiracies video at Pedros home right now, his father is billionaire gambling hotel magnet mega mogul dynasty in Macau and manila. Selling off intellectual and governs, not corporate secrets to, anyone is treason and espionage at the most extreme criminal, level deserving of death row.

ONLY they decide how much to tax us, how much to work us to death, how to scam us with insurance, lowest savings interest rates, no dividends on profits, highest rents, highest everything for they control the military, oil energy market, public education and FOR PAY private education, Nd the cost of everything is fixed for the most obvious reasons of all. Their profit markets margins become laws they make and pass. These are the law breakers who are elected to, be representative of the people. A pastor who is governor board member told me 3 years ago, we must NEVER let the people decide how to manage their money. They have no clue as they will waste it on gambling, sex, drugs, guns, alcohol. So HE stated, we are the only ones who decide the fate of our people. Pure criminal arrogance as he is pastor of victory church in Tuguegerao City who makes huge profits in

stores he runs inside his public church, all shielded from taxes. I publish this also, as I Remain one call away from being trillionaire of your new world society UNlocracy.ORG. Why are you deadly scared of ROSE. Is it because he paid you off also to be dead silent? He does this all the time using MY MONEY and YOURS. Kyle is same pirate boat along with rest of DUNCAN clan...

“Don't do anything from selfish ambition or from a cheap desire to boast, but be humble toward one another, always considering others better than yourselves. And look out for one another's interests, not just for your own. The attitude you should have is the one that Christ Jesus had: He always had the nature of God, but he did not think that by force he should try to remain equal with God. Instead of this, of his own free will he gave up all he had, and took the nature of a servant. He became like a human being and appeared in human likeness. He was humble and walked the path of obedience all the way to death— his death on the cross. For this reason God raised him to the highest place above and gave him the name that is greater than any other name.” Philippians 2:3-9 GNTD, Philippians 2:3-4 KJV

Song who is the king of kings? At church of vineyard dec 29, 2019 with family Belgica , butch Jeremiah , eldest Greco who talk with duterte anytime. The king of kings is now single ruling party of each congress and each president. In bed with court are executives who run the most crucial banks, stock market, industrial military complex capitalist driven made in ? For our profit.

All about how profit is pirate Taken from us the workers by single signatures on laws, contracts, secret deals, hidden general ledgers, and direct links with underground crime enterprises no one sees because no one looks, much less cares. The fear of our people is multiplied by threats of corrupt authorities putting us in hell jail for our ordained work to save humanity from above king of kings. Most of us object to the endless repeating of true reality.

Impossible AND Hard to HEAR and act on any truths as followup action always required to liberate man from the tyrannies of the true pirates of commerce transactions. Cybercrime simplified to single signatures are WMD destruction of self genocide since everything is complex and linked to each other by ordained original engineered design.

Jeremiah speaks vRec 11:47, 3% battery so short world Bfast. Surely all,these certified ordained broadcast observations of reality will survive by deposit into world last database FOIA.one the universal stabilizer is keith alone for all reasons detailed to extreme. Second speaker pink locks dot shirt is guest pastor. Speaks of God alpha and omega. About to flip to MacBook. Will cross sync later.

Everyone disappeared again. Most in world wait for others to take action, always wait wait wAit. Trillions of manhours lost waiting in line for shopping, the bus, the paycheck,the bank cash out, the long lines at any government agency, the weeks even months waiting for approval stacks of paper to get basic benefits or required sing-offs to run a business/. Huge time spent filing taxes, financial statements, handwritten general ledgers, faxing orders, calling followup on WHERE are my products, when will you pay us for the products and services we delivered.

What are the excuses ? All because our world never went all digital electronic trading society when everyone knows who is who, who owns what, who trades what with who. Direct barter exchange system is the only economic UNlocracy.org free will citizen trade system that eliminates need for any corporate executives and almost all Government officials including the need for almost any police and back ally MILITARY. Just a few thousand billionaires are the corporate executives who are the bankers and computer stock market traders who pirate steal our data and invest crime proceeds to profit themselves.

Hire lawyers and accountants to hide the general ledger books and secret deals, pay themselves first trillions of \$\$ stock options, live 100% off our profits, the own the media, transport, energy,

water, agri mega dynasties. And say to our people. WORK HARDER, pay for college degree, pay more taxes, borrow more of your own money = profits, buy insurance, go shopping after you get paid.

The elite declare "You all deserve a better life." All the time whole time we descend as pre planned into the slave trading call centers, factories, OFW, street sweepers, garbage collectors, clerks at the malls and fast food stores,.. all to push power to the elite who are the pirates and criminal ruling elite. Only end in sight is stock market desired CRASH.

Then the Elite insider computer trade sell out to cash high, buy back in at low. Pirating our assets = profits again and again. Some elite most stupid Idiot leader declares martial law, phones shut down, banks close. Then all Stock markets suspended, travel eliminated. Mass riots occur. Military and terrorists shoot down anyone on the street protesting, news media makes billions in ad revenue as stores owned by the elite sell off survival food water, and even ration electricity. All to depopulate Gods earth for true demonic reasons...

The elite WANT this to depopulate the earth just like the Egyptian Pharaohs 5000 years ago, same for Roman emporia rulers Julius chaser Caesar family. Then the supreme Pontiffs of POPES take over using religion to brain cult wash our people to PRAY TO GOD, he will finally save us. Year 1493 was Martin Luther, invention of printing press for bible reading and propaganda media education. Dark ages are here again. Only a few know the true reality of WHO is WHO, who owns what, who trades what with WHO.

FOIA .one solves and prevents all economic warfare at one time, only by public ID of criminals violating laws will humanity empower ourselves to be rulers of our own current reality and deciders of our own human condition destiny. Keith's manifesto is SolutionManifesto.com UNlocracy.org solutionMilitary.com solutionHousing.org focus on WorldSchoolFund.com. Everything in life is connected. One problem solved solves and prevents the next Cascading solution, SHARED RESOURCES COMMUNAL LIVING is the only answer shown on world chain news king block breaking builtbykeith.com/clearHouse. Support is required so criminals will not destroy these final broadcast answers. Keith in manila. On Skype [builtbykeith2](https://www.skype.com/join/builtbykeith2). Email solutionPeace2020@gmail.com as just ProfitShareHolders.SPACE overthrows all criminals at one time at bankers and stock market holder levels.

The entire economic system is about to collapse, happens over and over during course of humanity. Race to acquire wealth and control is by the few family dynasties who control the laws, judges, bank accounts, common stock options, and the general ledger books, a few powerful corporate executives are the current pirates and criminal terrorists who pay themselves with our profits, hire lawyers to prevent any investigations, and return just enough 10 % of our lifetime profits to us to keep us silent,

No one but alien Keith and his teams know what to do since no one unites the voices of we the people to teach simple methods of WE THE PEOPLE work, own, and control everything using justified UNlocracy.org shared resources communal free will citizens market of direct producers barter trade with our consumers and vice versus, eliminating almost all the brokers means no taxes, no regulations, to tariffs, no overseas shipping industry, no price fixing and related customs brokerage services. The more brokers involved, the broker we descend into slave traded poverty.

The use of OUR young men of military to wage \$\$ war on others by a few stupid crazy presidents and a few in congress are the last levels of pirate crimes. For the wealth always ends up

somewhere. The money and production of goods and services never disappears into thin air. It ends up in Swiss bank account vaults, in SM/Ayala,/Robinson condos and malls. Almost all banks and real estate enterprises owned by the same people who are the politicians. They earn about 50 to \$125,000 usd per year .

They go in very wealthy, earn lunch money of maybe \$100,000/year, and come out billionaires. The barangay captains earn about 23,000P per month, I met Susan on Saturday, b captain near Santa Cruz, lives in 1,5 meter by 3 meter room with everything she owns, has a big screen tv having over her head bed. With our system, anyone can earn and be a millionaire with no money needed to be elected. Each person paid as a highly paid consultant advisor. No appointed officials at any levels including all the judges. Many are corrupt and violate basic human right laws since no one can sue a lawyer or judge, can they? Solved forever with solutionJudge .com that is also part of the new world economic system SolutionManifesto. Com share this with everyone, as I am 100% victim of criminals in USA , just like millions of others described above. Keith at globe 09173353300

“As I urged you when I went into Macedonia, stay there in Ephesus so that you may command certain people not to teach false doctrines any longer or to devote themselves to myths and endless genealogies. Such things promote controversial speculations rather than advancing God’s work—which is by faith. The goal of this command is love, which comes from a pure heart and a good conscience and a sincere faith.” 1 Timothy 1:3-5 NIV

Philippines will not give out citizenship to foreigners. Long story about Immigration preventing migration of legally registered persons of integrity. Cause by political corruption of individuals who,profit ever single step of transfer of our assets to their accounts. Money lands somewhere. It never disappears into thin air. Terrorists print more bull fiat cash notes, not even Counterfeit, but the real currency from world bank and federal reserve system, all privately run secret record corporations. The tourniquet around the neck of our people is used by bankers to use our deposits for their own stock market exploits. Borrow from their victims, do,the market buy sell,out, return most of the principal and no one sees the difference of Trillions of \$\$ usd going one way.

James speaks psalm 33:20-22. Then. “Therefore, remember that formerly you who are Gentiles by birth and called “uncircumcised” by those who call themselves “the circumcision” (which is done in the body by human hands)—”

Ephesian 2:11-13 <https://www.bible.com> required cross reference.

The hope of all,hearts. Claims he is not a doomsday prophet. K: we do NOT need hope and faith, we must have ACTION of followup this entire time. Until our people rise up, our world is doomed to self genocide. Thinking JESUS is going to return to bring HOPE and salvation is a misnomer mis statement, why would you. I,have been accused of claiming I was Jesus , even 🙄🌀🚫 by Noel nobles, a user loser scam con artist man who served time in jail. Claimed he was on vacation.

Odd I went to jail 4 jail, never prison 4times, or 900 days and no one cares it was because of ROSE and those who robbed me physically of my own assets, then testified I was threatening them because I gave ALL evicted evidence to lawyers, police, IRS, AG, military, congress presidents in all orders.

Claims we all need help. Putting your faith in just JESUS only is a false teaching. For above reasons. Psalm 33:20-22. In him our hearts rejoice. I have had many messages and conversations with God, Christ, Holy Spirit and humanity my entire nerd led life. Super Nerd. Longer story. Romans 15:1? Speaks on death of his 9 week wife. Had visit from God. Yet even james has hypocrite tendencies just like Rest of humanity, even myself sometimes. Thinking no person of integrity can be found is common thought of most. Few trust anyone else. Reinforced by Joel ole stein and so many pastors, I have to ask WHY HAS james not asked his very own congregation to pay for new worship center. The are top celebrities here in Manila.

Hebrews 6:18-19. Odd that I am only person in almost any audience live blogging and recording almost everything of true merit. Inner sanctuary.... why did only one priest be allowed to visit GODs presence once a year in the old king Solomon temple. Odd. Asks who likes boats. Only 3 of us raise our hands. I am a master pilot captain sailor.

Anchor is how to prevent drifting. I retrieved my famous uncles anchor on scuba year 1978. Would have been cheaper to buy a new one. Sad that James and most others have not invited me to preach teach for past over 20, actually 43, 61 years. So I did anyway.

By your faith, you can heal yourself. Self salvation is also the prime answer. Ability for someone 🙄🔗 to voice heal another is a misnomer fallacy. Longer stop in how to heal our bodies by eliminating basic worry, stress, stress arrests.

Romans 5:4-5. Then. "But God demonstrates his own love for us in this: While we were still sinners, Christ died for us." Romans 5:8 NIV

So many preachers quote scripture out of context. Justifying their position. Few tell the real story of corrupt individuals for fear of being killed and elimination. New client said same thing. I am afraid of holding billionaires accountable for their crimes. I answer no. It is their crimes not mine. I remain neutral passing judgment on others. The pass judgment on them selves for refusing to surrender their crime assets and contacting their victims to ask for direct forgiveness. ROSE has never signed anything but the ordinal original promissory notes as he claimed this was a capital investment he owned. Same as rest of most billionaires and many millionaires.

They now all work for US, or our DEATHS are the end result.

NEXT world broadcast is post Christmas day, LAST was carefully numbered #1133.

December 26, 2019 is another historical legacy heritage day required of mankind to actually ACHIEVE total world global peace as there is NO other way to eliminate all criminal networks except with our most exclusive group methods.

Saddest fact in history is WHAT was destroyed and stolen, even sold off to world terrorists. That was these SAME methods our world must use on my computers, emails, hard disks, CD-ROMS, letters, and direct delivery TO international news media from 2005 forward.

Psychosis: Defined as: "a severe mental disorder in which thought and emotions are so impaired that contact is lost with external reality"

Money Psychosis is the top emotional Disease of all time. Read forward as our lives are mutually threatened by those whose only greed is 'MORE money to be made: 1. In the Market, 2. If I steal others assets. 1 and 2 are most often the same....

I hide nothing and have ZERO secret conversations with anyone. Please call LINO DIAMANTE from GTPSI-ManilaChapter.ORG as he is late. ignore above if you want. Does not really matter, after 11.11 years of extreme crimes, few if anyone cares about anything I do or say. You on the other hand, have provided me safe haven for 1 year. I will ask for your payment today as usual. As soon as I earn enough, I will move ??, not sure, depends
BuiltByKeith.com ©(TM) 1958-2020 All Rights granted.

on WHO we engage as expecting GOD or JESUS to 'save the day' is not a realistic expectation despite all the deep prayers we have made for decades. c u soon.

Grand Lobby 7am. Left my cell phone home. great words of encouragement from myself. Our world is indeed full of 'BULLSHITTERS' in polite terms. The single word is Psychosis. DEFINE: "a severe mental disorder in which thought and emotions are so impaired that contact is lost with external reality." These are those addicted to greed of money and related dominance control over all others. Many times I have asked very wealthy persons if they controlled 90% of the worlds wealth, would it be enough. A few respond, why no, There is always more money to be made in the market'.

The one ProfitShareHolders.Space broadcast website is HOW to eliminate all computer traders, insider traders, corporate executives who use OUR assets to criminally profiteer as pirates of the open seas. For Maritime law from centuries ago say,

IF you possess it, you must own it in simple layman terms. It also states that all is fair on the open seas (market), who ever yields the biggest guns and ships rules over everyone else. For PIRATES are part of the simple word CONSPiracy. CONS are the ability to Con someone into trusting another. This includes even asking for money on the street.

The stories I have heard from the street people and homeless people in Atlanta GA are so realistic, most people would break down and cry and give them their wallet. Because the prolific emotional disorder of Psychosis is the root of almost all other disorders such as BiPolar, Schizophrenic, and even all phosphor phobia (fear of something), the root cause of all these emotional disorders is indeed worry and stress that cause FEAR.

Our brains are wired as survival of the strongest. Now it is overtaken by the survival of the smartest. Most people learn to be YES people. Always agreeing to the other to gain their trust and approval. Few say NO since that ends the conversation. CON artists at all levels use language of GET RICH QUICK, just use our methods and you can be US, driving around Rolls Royces, free vacations, a life style of the non-working rich. The use of mobile apps is making this worst. One of the big MLM groups is LYCONET.com.

They even entice their first time audience to load their mobile app and engage in a contest to link our CONTACT list in our cell phones directly into their DATABASE on the cloud. This is just what Facebook and other groups do. STEALING our contact lists, emails, private data for future use of WHO knows WHO. I publish this also. Just wanted YOU, my most beloved people to see this 100% truth.

The Weapons of Mass Destruction WMB are the ability for anyone to use our private data and actions to commit crimes against ourselves and multitudes of others. Named Bankers and Stock Market Executives control our world economy by using OUR bank deposits, Intellectual Property, and Common Stock certificate traded values to be billionaires on OUR work efforts. Shared Resources is seldom stated. In fact the term of SHARE your resources is typically ONE WAY by those who conduct CON Conspiracies to enslave our people.

Anyone can see that Manila is the most densely populated city in the entire world. I was shocked as I have lived here full time for 4 years. The link of mega slum poverty is Money Psychosis of centuries of family dynasties such as JP Morgan, Carnegie Mellon, Rothshilds, JP Getty, Rockerfellers, and other families including the ROLLINS Family of Atlanta GA to use all the corporate assets for their own benefits. The corporate jets, yachts, homes, retreat centers, business and family trips are paid for with OUR stock dividends and written off the general ledger books as company expenses that are not taxable at corporate, much less personal income tax levels. For most billionaires personally own NOTHING. If they did, they would have to pay huge income taxes on their earnings each time distribution was made. After working for some 40 years as corporate executives, they just cash out a few stock options to pay for basic retirement expenses.

The link of corporate executives to underground crime networks is so clear when world uses our FOIA.ONE system to identify Who is WHO, Who owns What, Who trades WHAT with WHO. Once a criminal is found guilty in less than 2 weeks each time, the other criminals cry out. I AM NEXT if public found TheFinalTerrorist.com ROSE, then I must be next. Surrendering will be so prolific, it will keep our young lawyers so busy doing the accounting required to show who are the victims and who gets the payouts of restitution required by existing laws.

At 2:30pm today I personally broadcast published SolutionJudge.com that puts ANY accuser on trial along with their accused. This alone prevents all corrupt Judges, Prosecutors, lawyers, even graft paid off jury from violating existing laws and the new super compressed SolutionManifesto.com all to Achieve Total world Peace by everyone sharing their GOD gifted resources.

Saddest fact in history is WHAT was destroyed and stolen, even sold off to world terrorists. That was these SAME methods our world must use on my computers, emails, hard disks, CD-ROMS, letters, and direct delivery TO international news media from 2005 forward.

At 8:37pm back at ShangriLi hotel Glorettia 2 area next to famous Microsoft Country office who also REFUSES for now 3 years to contact Bill Gates and their top scientists and researchers to use what I have personally produced to save our world by empowering mankind to control and own everything.

I remain beyond electrically shocked and stunned as even Imee Marcos, daughter of Ferdinande Marcos today announced as Senator she issues bill for Death Penalty for plundering the taxpayer assets, and other crimes against humanity. That is ODD for I video recorded Bong Bong Marcos 2 years ago (still have that video) saying 'when Philippine government offers in legal agreement to NOT put us in jail, then we return the assets our father stole.' Reports are that Imelda (wife) said on national news that some 7,000 Metric tons of gold were stored in their basement long ago on claims to keep it safe from looters'. LOOTERS are the Pirates including the ROSE in the Caribbeans, site of some of the greatest thefts in mankind, so close to offshore Miami.

Funny T-SHIRT just now, the wife hair covers the UNTIL, rest says 'DEATH DO US PART'. These are the the of messages that GOD sends me if I pay close attention to details. For I remain the #1 observer of humanity and are resident expert on human relationship Re-Management. Just gave a young couple dating for 1 year key one way advice. MEET the guys parents, at least call them up and say HELLO. Google ReManadate including on youtube.com and see a famous 7 part series on HOW to Remanage a Date in marvelous ways to ensure you bait, hook, and land a real winner rather than one you must throw away for being undersized requirements or overfed arrogant Fool. Hard to tell sometimes as the best con artists are usually men, or black widow devils like Ms. Bashama who remains at large maybe in Michigan because NO ONE CARES about the \$40,000 USD she Robbed me of, and all her evidence and copies of ROSEs evidence I am assured on Feb 4, 2011.

Odd I was in Florida for 3 days broadcasting how anyone can duplicate the original design of the UNIVERSAL STABILIZER iseestand phone cradle that is now the worlds SAME to stabilize all of mankind at levels of the required economy.

Since Keith's most valuable 35 years of anti crime technology, software/hardware genius designs of **CreatorKeith.SPACE** and his extensive databases have been used by ROSE + terrorists since before Aug 2010 to infiltrate thousand of governments and corporations. We have been calling for USA Congressional Investigations for years and have yet to have simple call back from anyone at any level. The most profitable **Class Action Lawsuit Miscarriage of Justice** is Norfolk VA

4:11cr112 that indicts even DOJ fired AG Sally Q Yates and many more very powerful Atlanta, Norfolk, Raleigh, Washington DC DOJ and Gov officials including mass medical malpractice suits against the most incompetent Doctors sub hired by DOJ.

Our other Angel Philanthropists have also been asked to contact Keith and his crusaders and provide the required resources of their R&D scientists to complete this most amazing and powerful ministries of ACTION to create our last Crime Free Society to stabilize all world economies and empower humanity to conquer the last frontier of outer space. All to PREVENT holocaust of WW4 as WW3 is the Criminal conspiracies by filthy rich billionaires and hidden Criminals who act like Egyptian GOD false prophet Pharaohs. They all have NAMES and violate laws and claim 'WE had no clue, must have been the accountant or cyber crime terrorist who cooked our books and stole YOUR intellectual PROPERTY and answers to HOW to save humanity from self-genocide."

FREE PRESS is a true misnomer black/Red Flag as FAKE news drives advertising revenue that is the OTHER true cause of WHY 85% of my people live in ABJECT near homeless poverty. Our street kids beg and steal just to survive another night of predators who want to rape and kill our young. **WorldSchoolFund.com** protects all young and youth so THEY become the world leaders. This alone would have occurred +20 years ago. PRIVATE school universities would have been ALL PUBLIC but a few see education as the ONLY way to prolong the Family crime dynasties for few while others PAY their way as SLAVES. Now our top engineers and Scientists become OUR new world UNiocracy.ORG world leaders by THROWING out the most corrupt with

use of eVOTE.ONE FOIA.ONE.

World Human Rights Billionaire Keith Duncan + Gloria are working basic business contracts to pay basic bills for past 5 years. A true crime conspiracies take place worldwide since VERY FEW PEOPLE care about anyone else. This is the Human Condition of Predatory Greed that is Crimes against Humanity and GENOCIDE that occurs hourly worldwide. Everything we have published done is to STABILIZE all world economies. Would have occurred some 8 years ago except for ONE super criminal Robert Dee ROSE did not want prison or Death Row. Still valid on WHY at least 75 USA GOV individuals GO to PRISON after trial and WHY top USA gov officials always owe me protection and security so I can truly DEBRIEF Military, Presidents, DOD, DOJ, even DARPA, CIA, NSA, HLS, list is endless on WHY major PRESS CONFERENCES MUST occur now. I was cyber attacked by ROSE Summer of 2009 to Jan 2014 because of WHAT I deliver gifted to humanity. This is worlds last open public society free of all crime since only by identifying the TOP criminal networks can social justice and equality be achieved worldwide.

With SolutionManifesto.com and UNiocracy.org as the FINAL solution, no one can ever abuse or deny the rights of others ever again. Dec 8, 2019. Our top Website WorldSchoolFund.com and TeenMM.com linked is HOW to transfer trillions of real \$\$ directly into Philippine economy ONE-WAY bu the foreign SPENDER dual citizen Expats who contract to spend 30% of their + \$1 Million USD homes and small business to BUILD schools, hospitals, roads, energy, water, agriculture centers, and community center church combinations. This has never been done before as SOLUTIONPEACE.COM is the worlds last answer solution to command our World Presidents actually AGREE to achieve world lasting sustainable peace.

We are the 'hidden' billionaires who have research and published the most comprehensive solution set on how to restore the entire economy BACK to our 7.77 billion people. The result of 43 years of the most extensive R&D efforts at almost all disciplines of expertise. Your marketing exposure product service line is extensive and apparently very popular at airports and major malls where people shop and spend.

Our top advocacy will Create HUGE peaceful disruptive required turmoil by eliminating all massively corrupt corporate executives in USA, some EUROPE, and a few in Asia nations. Appears to be very few in Africa and Nordic nations. Only a few thousand extremely rich billionaires and underground criminals control the data and cash flow profits of Banks, real Estate, shopping malls, online distribution, and of course the STOCK market prices.

This is all positively stated and naturally ECO neutral using Power of FREE PRESS that is indeed another LONG complex process of news media controlling economy through false advertising and profiting from disasters at all levels

Contact us as soon as feasible for a face to face discussion on how our simplified to complex technology methodology is the prime and often ONLY way to restore direct democracy to all 7.77 billion of our people. We have already amassed a huge database of very powerful persons to help us. Yet most claim 'ACT of

CONGRESS' required to get anything done. This is the side cult driven mentality most call 'CRAB thinking' of going sideways rather than dealing with issues directly.

Prevention is our key motive of restoring direct democracy to world with

EVOTE.ONE and FOIA.ONE.

Please call us for face to face on how we can all achieve mass marketing success as free market trade barter exchange using ProfitShareHolders.SPACE

The Worlds most Powerful Broadcast of R&D methodology in Humanity = God's Purpose is here. Everyone benefits. These methods would have been our worlds new unify solutions back in 2005-2011 era except criminals were cyber stalking our groups and subsequently murdering and persecuting so many of us we were disbanded and isolated up to this moment. These crimes against humanity have never been resolved or even investigated by our DOD DOJ CIA NSA Interpol systems. Therefore we have modeled to world a new bypass replacement Stock Market, Bank, Financial, Law Enforcement, Military, and Judicial system to use our best Integrity focused Scientists and other prime disciplines to showcase with broadcasts how humanity MUST address the transfer of wealth back to our people using these simplified methods starting with ProfitShareHolders.space. This includes addressing the greed issues and exposure of ALL criminals who refuse to surrender. With Majority direct democracy eVote, anyone in world can be isolated or put into prison based only on their own crime evidence in.

These reality Crimes Against Humanity MUST be resolved and prevented by our people since most DOJ + gov agencies were infiltrated by crime networks decades ago and actively PREVENT any terrorist crime investigations and seizures because quite a few of the criminals are at top of Government and Corporate levels who want our people enslaved and even dead. Therefore we collectively replace and bypass all forms of corrupt law enforcement judicial systems by inviting key ethical persons to join SolutionPeace.com and provide the required resources to call on All World Leaders to obtain Global World Peace or be shunned and even put in Prison for their failures to serve and protect mankind. We are the most humble wealthy Venture Angel Philanthropists who have called for Congressional Investigations and direct call

Illegal detention of anyone is a crime based on no accuser appears in front of the accused with irrefutable irrevocable conclusive evidence shown in FOIA.ONE. The rights of a victim will be protected and upheld as a priority over any false accuser. Victims can always counter sue an accuser without violating any other law. Isolation of people and preventing them from their right to speak publicly is a crime. Denial of a

persons civil rights is a crime. Knowing a crime and refusing to notify law officials is aiding and abetting conspiracy coverups. This has all happened to Keith himself and millions of our fellow common whistle blower citizens. We lost over \$500 Million USD profits and billions of real \$\$USD Intellectual Property that are these website R&D broadcasts to humanity....

If auto-convicted criminal (by the people) refuses to pay back restitution and ask for forgiveness, they stay in prison forever. By eVOTE system, they applies to anyone including millionaires and Billionaires. as it is always their crimes that indict convict them. No longer can liar lawyers/Judges/others prevent justice from being served as SolutionJudge.com puts anyone on stand of testimony without ability to Plead the 5th.

Most critical is for USA Military, Interpol, CIA, HLS, Presidents, other Angel Philanthropists to dispatch protection to put our Crusaders in safe house while ROSE and other terrorists are seized with our (c)(tm) patented methods as we + they ALL get paid back for service to humanity. For ROSE #1 crime is infiltration of databases and extorting our top DOJ and even military officials to commit crimes against humanity. All world can see he has a \$10 Million USD (need more?) bounty reward on his head DEAD or ALIVE.

All legally granted and authorized as ROSE + thousands of others are the most dangerous Enemy of all Nations. We have reverse cyber tracked him for years as soon as he committed any crime, we reported him to Lawyers, Police, then IRS, FBI, AG, USMarshals, Press, Public, + Military. Therefore he CONVICTS himself for refusing to surrender as we have published ALL his contacts and crime network this entire time. This is always responsibility of CIA, Interpol, and Military to protect keiths R&D top scientists as we already legally claimed all assets seized using our famous (c)(tm) patented replacement bypass new world perfected system that true reality solve every single major world issue. There has never been anyone protecting 1st of our rights means NO one protects your rights either = World Demise at any moment.

We require and request NO ONE riot or mass protest rallies as that just allows terrorists and even political criminals to kill off protestors and hide, or claim others made them do it. This happens so often. Piggybacking violence on crowds to create chaos. and Panic then used to easy depopulate any nation with nuclear, poison gas/ water, DNA modified food, or even just unleashing the last Subsonic Dark Age modified plaque. Prevented forever once all 'unsaved' criminals are auto ID'ed, seized and put in Hell Jail where they belong. All who join are new world society receive 1% of all crime assets seized with CreatorKeith.space 75,000 Common shares of stock modeled after Warren Buffet who must be contacted to come find us as we did ask back in 2010 summer through Chris Morris CMAFinancial.com "Marlin" and his Netjet Pilot in Atlanta GA and have been broadcasting continuously since most famous kidnapping Oct 3, 2011 of all time ordered by Terrorist ROSE.

Soon we will model announce how to replace ALL common stock known to man with a SINGLE stock that truly has intrinsic value based on each corporations true benefits and value to open free trade barter exchange markets. No longer will currency

FOREX exchange bankers profit on any transaction of OUR deposits and transfers.
The World Bank will now be Owned by humanity.

Nov 24, 2019 Add on to all.

Years 2019 - 25 years is year 1994 in Birmingham. The cornerstone of Riverside methodist Church is example of the the Acts 4:11 'Jesus is the stone you builders rejected, which has become the cornerstone'.

With advent of speech to text, our entire world now interprets the truth from any dialect to any other translated dialogue. God and Humanity are both glorified at the same time is John 10:30 'the Father and I are one'. Nothing is left out of context as many of our top religious leaders quote scripture after passage and often pervert the original intended teaching solution by ignoring the pre events, reality, and after effects of the original issue. By changing the cause of the issue and related problems, prevention of downline cascading crimes occurs. The cost savings are enormous as everyone knows that designing perfected solutions starts with open lines of communication between those whose tasks is to engineer refined self correcting systems of artificial intelligence known as singularity. The acceptance of universal accepted stabilizing solution methodology is the true answer for achieving sustainable world global peace.
